Mimesis in a Cognitive Perspective Nicolae Babuts, 2017-07-05 Mimesis is a critical and philosophical term going back to Aristotle. It carries a wide range of meanings including imitation, representation, mimicry, the act of expression and the presentation of self. In modern literary criticism, mimesis has received renewed attention in the last two or three decades and has been subject to wide-ranging interpretations. Nicolae Babuts looks at the concept of mimesis from a cognitive perspective. He identifies two main strands: the mimetic relation of art and poetry to the world defined in terms of reference to an external reality and the importance of memory in the making of plots or storytelling. Babuts suggests that there is a material identity we cannot know beyond the limits of our senses and intellect and a symbolic or coded identity that is processed by memory. All writers including Mallarmé in his esoteric poetry, Flaubert in his realist narratives and Mihai Eminescu the Romanian poet in his romantic poems rely on mimetic strategies to link the two identities: the images in memory to the outside reality. All order their narratives in accordance with the dynamics of memory. Babuts describes this phenomenon with great insight showing how new traditions are formed. **Sunshine and Rain at Once** Clarke Wells, 1981 **The One Year**

**Experiencing God's Love Devotional** Sandra Byrd, 2017-10-03 One of Called Magazine's Favorite Fall Releases. When was the last time you took a break to experience God's love? To experience something is to live it, to encounter it, to understand it, to explore with our hearts, minds and souls as well as with the five physical senses and our God-given spiritual ones. Every action we do with and for God every good day and bad day we walk hand in hand with God, experiencing Him. Experiencing God's love takes time. Love unfurls its blossoms in our lives when we concentrate all of our senses on the small gifts we pass by every day. Time slows and we finally get to hear God's beautiful background hum to our lives. **The One Year Experiencing God's Love Devotional** helps you intentionally carve out those moments in your day to savor God and his love for you. **Catalog of Meteorological Instruments in the Museum of History and Technology** Museum of History and Technology

**Once Upon a Time in Singhpur** Abhinav Kumar, 2015-12-23 What are the attributes of a god? Is it a cross or a lotus flower? Is it a crown of thorns or one of gold? And what if you're not lucky enough to worship a great god? Because there are places in the world where there are lesser gods too. And for those who are stuck there, lesser gods demand worship too. In reality, these may not even be gods. But in truth, they still need to be worshipped. Follow the happenings in a mystical place where the timeless elements of fate, grace, power, love and many others play their parts in the story of human beings. Discover the closed doors of belief that men of science may never enter and see for yourself which is the lesser story and which the greater. Are the human beings that perform these acts the real tale or are they merely providing a context for the unfolding of
