Suomi Finland Finnland:

Finland Handbook ,1976 An Introduction to the Uralic Languages Björn Collinder,2023-07-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1965 *Mittelalterliches Nordisches Recht Bis 1500* Dieter Strauch,2011 Medieval Nordic legal sources are to be found across a wide area from Greenland Iceland and the Scandinavian countries to Finland and Russia The acceptance of Christianity led to decisive changes in these legal sources the polity private law and everyday life This volume considers sources from Greenland to Kiev and explains how they came about as well as reviewing their content and their further development until about AD 1500 It presents for the first time a consistent picture of medieval Nordic legal sources

Archaeologies of Hitler's Arctic War Oula Seitsonen,2020-10-29 This book discusses the archaeology and heritage of the German military presence in Finnish Lapland during the Second World War framing this northern overlooked WWII material legacy from the nearly forgotten Arctic front as dark heritage a concrete reminder of Finns siding with the Nazis often seen as polluting war junk that ruins the pristine natural beauty of Lapland s wilderness The scholarship herein provides fresh perspectives to contemporary discussions on heritage perception and ownership indigenous rights community empowerment relational ontologies and also the ongoing worldwide refugee crisis **Made in Finland** Toni-Matti Karjalainen,Kimi Kärki,2020-10-26 Made in Finland Studies in Popular Music serves as a comprehensive and thorough introduction to the history culture and musicology of twentieth and twenty first century popular music in Finland The volume consists of essays by leading scholars in the field and covers the major figures styles and social contexts of popular music in Finland Each essay provides adequate context so readers understand why the figure or genre under discussion is of lasting significance The book is organized into five thematic sections Emerging Foundations of Popular Music in Finland Environments Borderlines Minorities Transnationalisms Sounds from the Underground and Redefining Finnishness

Spreading the Written Word Kaisa Häkkinen,2015-10-30 The Protestant Reformation began in Germany in 1517 and the adoption of Lutheranism was the decisive impetus for literary development in Finland As the Reformation required the use of the vernacular in services and ecclesiastical ceremonies new manuals and biblical translations were needed urgently The first Finnish books were produced by Mikael Agricola He was born an ordinary son of a farmer but his dedication to his studies opened up the road to leading roles in the Finnish Church He was able to bring a total of nine works in Finnish to print which became the foundation of literary Finnish The first chapter outlines the historical background necessary to understand the life s work of Mikael Agricola The second chapter describes Agricola s life Chapter three presents the Finnish works published by Agricola The fourth chapter is a depiction of Agricola s Finnish Agricola carried out his life s work as part

of a network of influential connections which is described in chapter five The sixth chapter examines the importance of Agricola's work research on Agricola and Agricola's role in contemporary Finnish culture The book mainly focuses on language and cultural history but in terms of Church history it also provides a review on the progression and arrival of the Reformation to Finland Finnish is a Uralic language but the source languages of Agricola's translations Latin German Swedish and Greek were all Indo-European languages Thus the oldest Finnish texts were strongly influenced by foreign elements and structures Some of those features were later eliminated whereas others became essential constituents of standard Finnish To illustrate this development the Finnish in Agricola's works has systematically been compared with the standard contemporary language

A Dictionary of World History Thomas Edmund Farnsworth Wright, Edmund Wright, 2015 As well as over 4000 clear and concise entries this dictionary also contains biographies of key figures in world history Other useful features include subject entries on religious and political movements maps and full international coverage

The Languages of Scandinavia Ruth H. Sanders, 2017-11-24 A much needed comprehensive and accessible overview of the interrelationship among Danish Norwegian Swedish Icelandic Faroese Finnish and Sami Ilmari Ivaska Scandinavian Studies From fjords to mountains schools of herring to herds of reindeer Scandinavia is rich in astonishing natural beauty Less well known however is that it is also rich in languages Home to seven languages Scandinavia has traditionally been understood as linguistically

bifurcated between its five Germanic languages Danish Norwegian Swedish Icelandic and Faroese and its two Finno Ugric ones Finnish and Sami In *The Languages of Scandinavia* Ruth H Sanders takes a pioneering approach she considers these Seven Sisters of the North together While the two linguistic families that comprise Scandinavia's languages ultimately have differing origins the Seven Sisters have coexisted side by side for millennia As Sanders reveals a crisscrossing of names territories and even to some extent language genetics intimate language contact has created a body of shared culture experience and linguistic influences that is illuminated when the story of these seven languages is told as one Exploring everything from the famed whalebone Lewis Chessmen of Norse origin to the interactions between the Black Death and the Norwegian language *The Languages of Scandinavia* offers profound insight into languages with a cultural impact deep rooted and far reaching from the Icelandic sagas to Swedish writer Stieg Larsson's internationally popular Millennium trilogy Sanders's book is both an accessible work of linguistic scholarship and a fascinating intellectual history of language Focuses on contacts colonialism conflicts and causes of friction and the resulting language developments from a macro perspective a refreshing and pleasant read Verena Hfig University of Illinois at Urbana Champaign

Finland's Holocaust S. Muir, H. Worthen, 2013-06-13 Finland's Holocaust considers antisemitism and the figure of the Holocaust in today's Finland Taking up a range of issues from cultural history folklore and sports to the interpretation of military and national history this

collection examines how the writing of history has engaged and evaded the figure of the Holocaust

Defending Democracy in Cold War Finland Marek Fields, 2019-12-02 In *Defending Democracy in Cold War Finland* Marek Fields offers a thorough account on the various informational and cultural strategies Britain and the United States used during the early Cold War decades in order to increase their influence and contain communism in Finland. The book shows that by using propaganda and cultural diplomacy in an exceptionally challenging environment the two Western powers were able to achieve their main objectives in the region i.e. to defend democracy and strengthen Finland's attachment to the West surprisingly well. Making use of a large variety of British, American and Finnish archives, Fields proves that the Western countries' interest in Finland during the Cold War was stronger than it has previously been realised.
