Skiing Magazine *A Complete Guide to Alpine Ski Touring Ski Mountaineering and Nordic Ski Touring* Henry Branigan, Keith Jenns, 2014-01-13 There is something extraordinarily special about sliding on snow that has excited generations of snow sports enthusiasts Add to this the dimension of travelling through the mountains and the result is a recipe for some of the best outdoor activity days you could ever imagine I have been fortunate to share some of these adventures with Henry Branigan Skiing off the summit of Mount Blanc at dawn or equally enjoyable skiing under the northern lights from hut to hut in Norway still my all time favourite way of travelling through the mountains A complete guide to alpine ski touring ski mountaineering and nordic ski touring sets out to provide the fundamentals about going off piste and then journeying through mountain terrain in a logical easy to read format Adapting ski technique for various off piste conditions is an essential skill that makes all the difference between surviving and savouring adventures off piste The book also covers the fundamental mountaineering knowledge including navigation weather and avalanches that are essential before venturing beyond the confines of a ski area Equipment and planning a tour are covered whether it is in an Alpine or Nordic environment All in all this is a very comprehensive and valuable resource for anyone aspiring to venture into the mountains on skis Bob Kinnaird Principal Glenmore Lodge National Outdoor Training Centre *Manual of Ski Mountaineering* David R. Brower, 2023-12-22 *A Complete Guide to Ski Touring and Ski Mountaineering* Henry Branigan, Keith Jenns, 2006 This book is about Alpine ski Touring and takes you through a step by step guide on everything

that you need to know to get you from a novice ski tourer into the professional. It covers all the salient points for moving on skis and explains how the technical equipment should be used including all the skills that are required to start touring as well as leading a group. It can also be used as a guide for off piste skiers and snow boarders as well as Telemark and Nordic tourers. Each chapter has its own topic as the book takes you through well laid out progressions from your first steps uphill to longer tours moving from hut to hut over glaciated terrain. The photographs complement the text in every way giving a clearer picture of what the equipment looks like and how it should be used. Nothing has been left out and some of the chapters explain all the points to be considered when planning a tour or overnighing as well as emergency procedures. And to make the tour safer there are chapters on avalanche awareness and weather. By the time you get to the end of the book you will be armed with all the skills, techniques and knowledge needed to go out and enjoy the sport of ski touring.
