The Cavalry Journal, 1925 *The Recollections of Skinner of Skinner's Horse - James Skinner And His 'yellow Boys'*
James Skinner, 2006-04 THE RECOLLECTIONS OF SKINNER OF SKINNER'S HORSE INDIA'S MOST FAMOUS
CAVALRYMAN RECOUNTS HIS CAREER James Skinner had a colourful career He began his military exploits as a mercenary
for Indian princes and became a legend as the leader of the Yellow Boys his renowned irregular cavalry In the early years of
the British domination of the sub continent Skinner at some time fought almost every martial race India had to offer These
adventures originally written in Persian are clear and directly recounted and are supported by text by J Baily Fraser who
gives context to Skinner's world *Sahibs' India* Pran Nevile, 2010-11-11 STEP BACK TO GLIMPSE A BYGONE TIME Mahlee

India's is a panoramic look at the lives of the British in colonial India Culled from Raj literature it reveals little known aspects
of their lives and their dealings with their Indian subjects Drawing from contemporary journals plays and poems the author
provides wonderful descriptions of British homes and servants their tastes and fashions cultural idiosyncrasies profligacy
sports hunts and shoots giving us with the relaxed familiarity of the after dinner raconteur a flavour of the period The book is
peppered with a host of characters astrologers jugglers magicians grass widows the fishing fleet missionaries nautch girls
mavericks and eccentrics who made India their home as the British turned from traders to empire builders and is
interspersed with period photographs paintings and sketches This is a delightful evocation of a vanished world **Skinner's
Horse** Philip Mason, 1980 **Unbattled Fears: Reckoning the National Security** Sumit Walia, 2021-02-16 Strategic
thinking has not been part of our national discourse Till the end of 20th century there were a very few public or private think
tanks discussing the challenges our nation faced There was no private news channel till 1999 and when they started they
went about doing their news business Lack of strategic thinking was apparent during 1962 war with China when we had
clear indications of heinous moves and design of China The Indian Army had submitted reports highlighting the Chinese
threat but it all fell on deaf ears The Prime Minister of the time thumped the table and said It is not the job of Commander in
Chief to tell the Government who will attack India China will never attack us rather China would come to our rescue if
needed You should concentrate on Pakistan Rest is history Successive governments did not learn the lesson Strategic and
National Security matters were still prerogative of government institutions Till 2000 there were a few government funded or
private think tanks United Service Institution of India Indian Direct Selling Association Indian Defence Review etc working
on this vital subject New think tanks came up but their reach was limited There appears to be much more interest in masses
now than what it was 20 years ago This book is a compilation of articles written on different subjects It is divided in four
sections every section dealing with a different subject Readers should consider the backdrop date given at the first page of

every chapter This will help putting things in the right perspective The Pall Mall Magazine ,1896 Boot, Hooves and Wheels Saikat K Bose,2015-06-01 The books title has an apparent misnomer boots were not used in early armies at least as apparent from temple sculptures which depict bare bodied and barefooted soldiers But is it likely to have been true Or social reasons led to suppression of footgear on temple walls The book explores these and myriad other questions on the military experience of South Asia hoping to construct a picture of how men animals and equipment were used on South Asian battlefields from the end of the Paleolithic till the dawn of our era Further as all that happens on battlefields is no more than the tip of the proverbial iceberg whose submarine mass conceals many cause effect relationships in a wide variety of fields the author adopting a wide fronted approach examines the evidence of anthropology literature mythology folklore technology archaeology and architecture to reconstructs the military atmosphere of South Asia beyond the battlefield which is the aim of this book *The Secret Race: Anglo-Indians* Warren Brown,2010 Anglo Indians are the only English speaking Christian community in India whose Mother tongue is English and who have a Western lifestyle in the sub continent of India Anglo Indians originated during the Colonial period in India When British soldiers and traders had affairs or married Indian women their offspring came to be known as Anglo Indians or Eurasians in history **Rain in the Mountains** Ruskin Bond,2016-07-27 Rain in the Mountains brings together some of Ruskin Bond s most beautiful works from his years spent in the foothills of the Himalayas in the town of Mussoorie Through vivid images and lucid writing Bond evokes the everyday sights and sounds and captures the essence of mountain life The musings on his natural habitat in both prose and poetry offer a view of that simple and affable world Some of his writings featured in the book are Once Upon a Mountain Time Sounds I Like to Hear How Far Is the River and After the Monsoon Rain in the Mountains will transport the reader into the quiet world of the mountains lit with an eternal charm *The Adventures of a Soldier's Wife* Joe P.
