Prizing Children's Literature Kenneth Kidd, Joseph Thomas Jr., 2016-11-10 Children s book awards have mushroomed since the early twentieth century and especially since the 1960s when literary prizing became a favored strategy for both commercial promotion and canon making There are over 300 awards for English language titles alone but despite the profound impact of children s book awards scholars have paid relatively little attention to them This book is the first scholarly volume devoted to the analysis of Anglophone children s book awards in historical and cultural context With attention to both political and aesthetic concerns the book offers original and diverse scholarship on prizing practices and their consequences in Australia Canada and especially the United States Contributors offer both case studies of particular awards and analysis of broader trends in literary evaluation and elevation drawing on theoretical work on canonization and cultural capital Sections interrogate the complex and often unconscious ideological work of prizing the ongoing tension between formalist awards and so called identity based awards all the more urgent in light of the We Need Diverse Books campaign the ever morphing forms and parameters of prizing and scholarly practices of prizing Among the many awards discussed are the Pura Belpr Medal the Inky Awards the Canada Governor General Literary Award the Printz Award the Best

Phillips Phd,2008-10-13 After sixty years Dr Roy G Phillips retired founding campus president at Miami Dade College Homestead Campus returned to his native home in rural Webster Parish outside of Minden Louisiana It took him almost forty years to fulfill a dream a journey that began as a conversation with renowned author Alex Haley culminated with the collection of fascinating stories and then finished in a poignant book that tells the story of his ancestors in their trajectory from Africa to America When he retired in December 2001 Phillips turned to writing piecing together years worth of research The final product Exodus from the Door of No Return Journey of an American Family AuthorHouse was published in September 2006 and revised in October 2008 Phillips family saga mirrors the lives of what arguably could be the tale of most African Americans In the book family is the glue that binds Phillips ancestors from Slavery to Reconstruction Jim Crow Segregation the World Wars the Great Migration of black families out of the South the tumultuous civil rights period of the sixties to the present day Phillips might never have started on the journey of family discovery if it had not been for a chance meeting with Haley who had come to speak at the University of Michigan At that time Haley was in the midst of researching his book Roots and Phillips was completing his doctoral dissertation in urban secondary administration I spent half of the night talking to him about what to do he recalls He said Go and talk to the old folks in your family Get their stories Phillips painstaking tracked down the descendants of the plantation owners James Germany McDade II who owned his great grandfather and other relatives Phillips continues to meet and correspond with the McDades in Shreveport and East Texas He also underwent DNA testing which helped him track both his paternal ancestry to the Mbute people in the Central African Republic and his maternal ancestry to the Mende people in Sierra Leone West Africa *Banksy Will*

Ellsworth-Jones,2024-05-01 While hiding from the limelight Banksy has made himself into one of the world s best known living artists His pieces have fetched millions of dollars at prestigious auction houses He was nominated for an Academy Award for his film Exit Through the Gift Shop Once viewed as vandalism his work is now venerated fans have gone so far as to dismantle the walls that he has painted on for collection and sale But as famous as Banksy is he is also utterly unknown he conceals his real name hides his face distorts his voice and reveals his identity to only a select few Who is this man that has captivated millions How did a graffiti artist from Bristol England find himself at the center of an artistic movement How has someone who goes to such great lengths to keep himself hidden achieved such great notoriety And is his anonymity a necessity to continue his vandalism or a marketing tool to make him ever more famous Now in the first ever full scale investigation of the artist reporter Will Ellsworth Jones pieces together the story of Banksy building up a picture of the man and the world in which he operates He talks to his friends and enemies those who knew him in his early unnoticed days and

those who have watched him try to come to terms with his newfound fame and success And he explores the contradictions of a champion of renegade art going to greater and greater lengths to control his image and his work Banksy offers a revealing glimpse at an enigmatic figure and a riveting account of how a self professed vandal became an international icon and turned the art world upside down in the process **Safety, Societal Problems and Citizens' Perceptions** Marc Cools,Brice De Ruyver,Marleen Easton,2010 In nowadays globalised society an international exchange of ideas and views is indispensable within the field of social sciences including criminology and criminal justice studies The Wall Street Journal Essential Guide to Business St Paul Martin,2010-07-06 The indispensable resource that has helped the writers and editors of The Wall Street Journal earn a reputation for the most authoritative business writing anywhere now fully expanded and revised for the twenty first century In the field of business the words you use and how you use them can either bolster your credibility or undermine your intelligence For anyone who is faced with the task of writing a memo report proposal press release or even an e mail The Wall Street Journal Essential Guide to Business Style and Usage is an invaluable one stop resource Originally intended exclusively for use by the paper s staff the book is organized in a user friendly A to Z format with appropriate cross referencing that helps you solve almost any question of spelling grammar punctuation or word definition For those seeking a competitive edge for succeeding in the world of business The Wall Street Journal Essential Guide to Business Style and Usage is the definitive reference to keep close to your desk the last word for everyone who works with words
