lost because she did not have a map did not know how to read a map and then she left her car and went off looking for shelter And of course she found the house of her Prince charming deep in the woods Please understand that authors write such stupid books because their publishers want them to write such unrealistic books And nowadays there is a trend of an expectant mother going off in the snow naturally she is a single mother and she has to reach her destination in the snow and naturally on page 2 there she is the stupid wench stuck in the snow and the ice Any person who has two go out in the cold weather especially when it is snowing is going to get stuck 88% of the time and this silly female is going to die of exposure hypothermia But this being an utterly brainless B grade novel she gets out of her car and staggers out only to faint at the door of a multimillionaire Sheriff cowboy business tycoon Arab Prince with American mother tall dark and handsome and single or European royalty who is really going to be thrilled at the thought of marrying a single mother who had a temporary relationship or one night stand with her boss punk boyfriend live in partner and bringing up somebody else s baby just because the mother is such a brainless but bosomy babe And he is going to take her in and she is going to have her baby in that cabin without the help of a doctor because all the lines are down and both of them are going to live happily ever after It says so on page 186 just before The End Excuse me while I take some time out to gag So this book is for all of those who have to go out in the cold willy nilly and not only are this good survival tactics for the time when we are going to suffer from the nuclear winter but also it is a complete guide of what you man or woman should have in your vehicle when you are going out in hostile terrain You may also find some real life experiences based on sometimes funny sometimes grim incidents in a very interesting life in the midst of a very outdoorsy type active family You may find yourself a bit perplexed at these experiences but then they took place in other times other climes and other lands But they are real life experiences and could happen to anybody
