Devine,2024-01-31 It is 1950 in the seaport town of Yarmouth Nova Scotia Celeste Alexander the daughter of a poor lobster poacher dreams of something more than the life she leads cleaning the houses of her wealthy neighbours When opportunity comes knocking she leaps at the chance to take a waitressing job in the nearby town of Kentville forever changing the arc of her life Soon after arriving in Kentville to work at Sadie s Restaurant she meets William Lockhart An aspiring architect and admirer of Shakespeare William sweeps her off her feet and their romance blooms with first love quickness and intensity Though they have only been seeing each other for a few months the lovers envision a future together But Celeste s bright dreams of a happy life with William are cast under an ominous cloud when he joins the Princess Patricia s Canadian Light Infantry a regiment of the Canadian army hoping that a short stint in the military will help him further his career in the future Celeste s worst fears are realized when William is sent off to fight in the Korean War and she learns that she is pregnant with his child Set against the backdrop of small town Canada and the Korean War this sweeping family saga gives voice with compelling sensitivity and grace to the cascading effects of loss and hardship across generations and how hope love and the enduring power of family bonds can lift people up in the lowest moments of their lives *The Sky Is Red* Guiseppe Berto,1971 When I first read *The Sky Is Red* it reminded me vividly of my own impressions of post war Italy when I arrived in Naples as a boy from New York in late 1945 I remember the ugly bombed out city the widespread hunger misery and despair I witnessed political opportunism widespread fraud and violent crime Even as a boy I understood the heartrending spectacle of otherwise honorable people forced to debase themselves in questionable and sordid activities in order to survive I remember the gangs of urchins and adolescents roaming the streets and the conversations of adults of various political stripes who were trying to figure out the best way to restore Italy as a functioning country Giuseppe Berto published his novel in Italy in 1947 It depicts in graphic terms the country s pervasive physical psychological and moral devastation through the experiences of a group of adolescents struggling to grow up amid the ruins of a brutal war Berto is careful not to identify the venue of his story which could easily be any of the many towns and cities in Italy that had been ravaged His narrative thus becomes a universal cry of despair and disillusion that quickly struck a responsive chord among

the Italian reading public in the wake of World War II Berto wrote his book in the United States in the final years of the war when he was a prisoner of war in Texas Before his capture Berto had served for several years in the Italian Army and was certainly familiar with all the ugliness of war I suspect that his manuscript reflects observations both during that time and when he got back home *The Sky Is Red* focuses more on the lingering effects of war than on war's direct violence It is a powerful literary achievement and became a paradigm classic of post war Italian literature Christopher David Costanzo Henniker N H November 24 2019

**Where The Sky Remembers Us** Mohan R,2025-03-10 This is not just a love story it is a tale that will hold your heart and refuse to let go A collision of two souls never meant to meet A boy from Shillong an exceptionally brilliant corporate strategist and self made millionaire a man who has built his empire on a foundation of discipline ambition and control A girl from Dehradun bold free spirited a travel influencer who lives life on her own terms chasing dreams embracing the present and never backing down They were never supposed to cross paths Yet fate throws them together in the bustling heart of Mumbai where their worlds collide shatter and ignite in ways neither could have foreseen From furious debates to stolen looks From passionate events to moving battles From embracing the present to daydreaming about the past From unquestionable attraction to the kind of love consuming you Still love is never enough Not when family ambition and previous hurts seem ready to tear them apart Love can build Love can break But sometimes love must bleed Just when they believe they have fought for their happily ever after one choice changed everything A sacrifice too great A twist too cruel A moment that leaves them questioning Was their love powerful enough to defy destiny itself Or were they simply two souls colliding only to be torn apart

*Too Great a Sky* Liliana Corobca,2024-10-29 The story of the deportation of Romanians from Bucovina to the steppes of Siberia an exercise in historical memory and a powerful story of maintaining humanity in impossible conditions A new novel from Liliana Corobca and her translator Monica Cure winner of the Oxford Weidenfeld translation prize Ana is eleven when the Soviet soldiers send her from Bucovina Romania to Kazakhstan She is just one of many forced to leave behind her home and make the three week long journey via train The trip is a harsh humiliating one but in spite of the cold and the closeness of death life persists in the boxcar in the form of storytelling riddles and ritual Years later Ana recalls her childhood for her great granddaughter who is considering moving her to a nursing home Her story told with unflinching candor is a chronicle of a life lived during a time of great political and national change a story of an existence defined and curtailed by lines drawn on a map The narration is interspersed with songs that transform into poems and prayers spoken in the past that become prayers in the present What links the narration is not so much a plot as it is the reader's astonishment How could Ana survive such a series of experiences and do so with her mind and heart intact A history of cruelty and trauma lies behind the banal markers of contemporary life These realizations combine in the central theme of the book one which the narrator describes as stories bring you youth
