**Deception** Gary Grossman,Edwin D. Fuller,2021-06-22 Intelligence experts and thriller authors concur **RED DECEPTION** is A page turner by authors who might as well sit on the National Security Council When terrorists bomb bridges across the country and threaten the Hoover Dam the vulnerability of America's infrastructure becomes a matter of national security But Dan Reilly a former Army intelligence officer predicted the attacks in a secret State Department report written years earlier a virtual blueprint for disaster somehow leaked and now in the hands of foreign operatives With Washington distracted by domestic crises Russian President Nicolai Gorshkov sends troops to the borders of Ukraine and Latvia ready to reclaim what he feels is Russia's rightful territory Tensions in Europe threaten to boil over as a besieged American president balances multiple crises that threaten to upend the geopolitical order This is the chaos into which Reilly leaps headfirst Reilly's position as Global Head of Security for the Kensington Royal Hotel Corporation means he must keep his customers and staff safe as the crisis envelopes countries across three continents His past as a State Department analyst means he recognizes the connections behind the seemingly disparate terror attacks assassination plots and authoritarian power plays that dominate the headlines But it's the very knowledge that makes him good at his job that also makes him a target to the press to the government and to the forces gathering for another assault on America Follow Reilly as he travels the world to

safeguard both his company's assets and his country's secrets With the US at the mercy of an egomaniacal leader and reporters and covert agents on his tail he may be the one man who can connect the dots before an even bigger catastrophe unfolds RED DECEPTION is the second book in the RED Hotel series      *The New Tsar* Steven Lee Myers, 2015-09-29 As the world struggles to confront a bolder Russia the importance of understanding the formidable and ambitious Vladimir Putin has never been greater This gripping narrative of Putin's rise to power recounts Putin's origins from his childhood of abject poverty in Leningrad to his ascent through the ranks of the KGB and his eventual consolidation of rule in the Kremlin On the one hand Putin's many domestic reforms from tax cuts to an expansion of property rights have helped reshape the potential of millions of Russians whose only experience of democracy had been crime poverty and instability after the fall of the Soviet Union On the other Putin has ushered in a new authoritarianism unyielding in its brutal repression of dissent and newly assertive politically and militarily in regions like Crimea and the Middle East *The New Tsar* is a staggering achievement a deeply researched and essential biography of one of the most important and destabilizing world leaders in recent history a man whose merciless rule has become inextricably bound to Russia's foreseeable future
