Ludvig Irgens-Jensen Arvid O. Vollsnes, 2014 The first English language discussion of the life and music of this twentieth century Norwegian composer The Norwegian composer Ludvig Irgens Jensen 1894 1969 was one of the towering creative figures of his native land although his dignified and powerful music does not receive the attention its quality deserves either at home or abroad The success of his dramatic symphony Heimferd Homecoming in 1930 brought him national fame but the post War triumph of modernism coupled with his personal modesty pushed Irgens Jensen's tonal music into the shadows its contrapuntally based textures and its modally tinged harmonies were seen as things of the past But a growing number of recordings is revealing him as one of the most distinguished and distinctive voices in twentieth century music a figure of international importance who wrote music of striking nobility and strength of purpose with some meltingly lovely melodic lines Arvid O Vollsnes Ludvig Irgens Jensen The Life and Music of a Norwegian Composer is the first discussion in English of this profoundly decent man and his life enhancing music A review of the original Norwegian publication of this book in Aftenposten the main Norwegian daily paper described it as a gripping biographical portrait As well as Irgens Jensen's life we get a broad picture of Norwegian musical life from the 1920s to his death in 1969 A CD of extracts from Irgens Jensen's works has been prepared to accompany the English edition providing readers with an introduction to his highly individual and immediately appealing sound world **News of Norway**, 1984 The Palmerlee Family Albert Earl Palmerlee, 1967 *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library.
