An Army of Stories Roger

Mason,2015-06-23 Private First Class R was an excellent soldier so it was unlike him to be late When he came in a few

minutes later I could see by the grim look on his face that something was terribly wrong He immediately began to cry and tell me that his wife had miscarried the child they had so badly wanted I had never seen anyone cry as much as he did that morning and one box of tissues simply was not enough After a while the front of his uniform was soaked from his many tears and I felt horrible seeing him suffer It was one of those times when I would have moved Heaven and Earth if I could have but I could not It humbled me because I wanted to order someone to do something to fix the problem but this time it would not be that simple I had always taken pride in looking out for the welfare of the soldiers in my charge but this time was different I knew I was not a miracle worker but I felt I had let him down because as much as I wanted to I did not have the power to bring back his baby It was the worst day of my Army career because a good soldier who looked up to me for wisdom and guidance was in peril and there was nothing I could do I felt like a weakened Superman hopelessly dragging his feet through a field of Kryptonite because there I was with all my rank and power that the Army had entrusted in me but I was useless to him

Land of the Morning Calm Harry Bryce, 2007-11 Instability danger and intrigue follow a U S Army lieutenant and his wife in 1968 Korea as they try to safeguard their relationship and their lives **Chasing SAM** Colonel Roy M. First In, Last Out John D Howard, 2023-06-14 A Vietnam veteran recounts his experience through two tours of duty early in the conflict and then in its final stages Fresh out of West Point John Howard arrived for his first tour in Vietnam in 1965 the first full year of escalation when U S troop levels increased dramatically from 23 000 to 184 000 When Howard returned for a second tour in 1972 troop strength stood at 24 000 and would dwindle to a mere fifty the following year He thus participated in the very early and very late stages of American military involvement in the Vietnam War Howard's two tours the first as a platoon commander and member of an elite counter guerrilla force and the second as a senior advisor to the South Vietnamese provide a fascinating lens through which to view not only one soldier's experience in Vietnam but also the country's *Freckles* Ron Weber, 2021-04-28 In this hilarious tale Ron Weber shares the life of an overcurious little red haired freckle faced boy who always kept everyone around him on their toes In this humorous story Freckles will keep you laughing and wondering what mischief he will be getting into next However as he reaches adolescence

Martinez,2010-11-18 The pages of this book vividly conjure up the sights and smells and sounds of Martinez s adventures in Korea He enthusiastically spent every free moment traveling everywhere taking hundreds of photographs teaching himself to speak read and write the language Nothing escaped his youthful eyes from ancient temples to rice planting and harvesting to little known facets of the country s rich 5 000 year old culture His exuberance with each of his discoveries is faithfully recorded as are the familiar things we all felt homesickness and fear camaraderie and purpose If you want to see the Korea of forty five years ago through the bright eyes of a nineteen year old soldier from Texas with a truly remarkable memory for every detail this is the best way to do it William Roskey Author of MUFFLED SHOTS A Year on the DMZ **Air Force Cop: An Autobiography** Kelly D. Battle for the Central Highlands

George Dooley,2007-12-18 THE CENTRAL HIGHLANDS WHERE DANGER REIGNED SUPREME AND DEATH WAS A CONSTANT COMPANION The fighting was fierce in the Central Highlands where Green Beret George Dooley served with elite Special Forces A teams training the rugged Montagnards in guerrilla warfare and accompanying them on patrols The Viet Cong and NVA were entrenched in the sparsely populated Highlands where towering mountains gave them the ruthless upper hand The missions Dooley led often in enemy territory provided a steady diet of sniping ambushes booby traps and

mines As the war escalated Dooley commanded his own A team and the battles against the large numbers of crack NVA troops became even more desperate and deadly By then military command routinely assigned anything but routine missions to Special Forces and expected them to meet their objectives BATTLE FOR THE CENTRAL HIGHLANDS details the unbelievable valor of these legendary American warriors **Buddha's Money** Martin Limon,2005-05-01 This grisly terrifying thriller follows CID Agents George Sue o and Ernie Bascom across the Korean Peninsula in their search for a lost artifact South Korea 1970s Retired Army officer Herman Burkowicz has quite a lucrative setup smuggling rare Korean artifacts But then his nine year old foster daughter Mi ja is abducted and her kidnappers demand a ransom Burkowicz doesn't have a priceless jade skull from the age of Genghis Khan Sue o and Bascom more accustomed to chasing felons and black marketeers in the back alleys of Itaewon than ancient treasures go in over their heads as they agree to search for the skull a journey that will lead them to a crime that threatens the fragile peace between South Korea and the US Army units living on its Korean soil **A Year In The Sun** Brian D. Pardo,2013-09 Perhaps no endeavor brings out the entire range of intense human emotions more than young love and war Since both deal with the survival and the success of the human race it is apparent why this is so A young soldier experiencing his first true great love love at first sight tries desperately to save the one relationship that means more to him than anything in the world in the far off country of South Korea At the same time his skills as a soldier and his deep love of his country make him the ideal candidate to prevent a catastrophe However he neither fully understands nor completely realizes the severity of its consequences He rapidly meets the senior operatives who test him and place on his shoulders a great responsibility that only his unique intellect and skill can prevent a disaster The outcome is uncertain but the stakes are great Many years ago I was a young soldier stationed in South Korea In my late teens at the time I quickly learned to appreciate the beauty of this ancient land and the villagers who live in the countryside Theirs was a way of life that has changed little over the centuries They grew many years ago to accept the circumstances of the times with stoicism and resolve to endure that which they cannot change Happy people quick to smile and easy to befriend made me want to help them A village girl taught me a lot about life and ultimately how to deal with tragedy Since North Koreans are the same people who endure a terrible repressive regime separated from growth and prosperity by fanatical leaders who would rather see the few elite live well while the masses suffer and starve on their own farms I felt compelled to write this fictional story that as the song goes may be partly truth and partly fiction *Saigon* John J.
