Smuggling In East Anglia 1700 1840:

Smuggling in East Anglia 1700-1840 Stanley Melville Jarvis,1987-01-01 *Smuggling in Devon and Cornwall 1700-1850* Mary Waugh,1991 **Fields, Fens and Felonies** Gregory J Durston,2016-12-09 A new work on Crime and Punishment in East Anglia and elsewhere during the eighteenth century It was a time of highwaymen footpads and desperate petty offenders draconian penalties extremes of wealth and poverty corruption and rough and emerging forms of justice The contents include justices of the peace policing crimes courts and judges as well as such matters as summary trial and disposal jury trial execution and reprieve a variety of offences including murder and other homicides violence and sexual offences smuggling poaching property crimes riots and disturbances The book also looks at the various hierarchies that existed whether social legal judicial religious military or otherwise so as to exert a variety of social controls at a time of relative lawlessness A fascinating and statistically absorbing account of crimes responses and penal outcomes of the era Neither a micro history in the context of a parish hundred or small town nor national account but a more unusual criminal justice history of a major English region with its own correlation with London and the rest of England in addition to its local differences and quirks **Foul Deeds & Suspicious Deaths In & Around Southend-on-Sea** Dee Gordon,2007-11-15 A history of true crime in a quaint resort town in Essex England that hosts a variety of amusements along with a legacy of madness mayhem and murder This ghoulish look into the past takes readers on a sinister journey through Southend on Sea from medieval times to the twentieth century and featuring a rogues gallery of cutthroats highwaymen witches murderers and madmen Included are more than twenty notorious episodes offering fascinating insight into criminal acts and the criminal mind And in addition to the eerie events of the past the author explores grievous crimes from more recent times such as the Murrell fratricide the brutal killing of Florence Dennis the Watson bungalow murder the Brown wheelchair murder the Shoebury Garrison deaths and many more Gordon s chronicle of the dark side of Southend s long history will be fascinating reading for anyone who is interested in the town s rich sometimes gruesome past **The Dutch Language in Britain (1550-1702)** Christopher Joby,2015-01-27 In *The Dutch Language in Britain 1550 1702* Christopher Joby offers an account of the knowledge and use of Dutch in early modern Britain Using extensive archive material from Britain and the Low Countries Chris Joby demonstrates that Dutch was both written and spoken in a range of social domains including the church work learning the home diplomacy the military and navy and the court Those who used the language included artisans and their families fleeing religious and economic turmoil on the continent the Anglo Dutch King William III and Englishmen such as the scientist Robert Hooke Joby s account adds both to our knowledge of the use of Dutch in the early modern period and multilingualism in Britain at this time *Mollie On The Shore* Elizabeth Jeffrey,2014-08-07 After the death of her mother Mollie Barnes is sent to live in her aunt and uncle s house and forced to endure her aunt s simmering resentment One day the tension explodes leading to a shocking revelation about Mollie s parentage Every day Mollie had

been working by the shore under the shadow of a large and imposing house Now she knows that the master of the house James Grainger is her real father she vows that one day she will sit at his table But her dreams of finding acceptance are shattered as she finds herself the unwilling object of her half brother s affections **Protest, Politics and Work in Rural England, 1700-1850** Carl Griffin,2013-11-28 Rural workers in eighteenth and early nineteenth century England were not

passive victims in the face of rapid social change Carl J Griffin shows that they deployed an extensive range of resistances to defend their livelihoods and communities Locating protest in the wider contexts of work poverty and landscape change this new text offers the first critical overview of this growing area of study **Essex Boys** Karen Bowman,2013-08-15 The scandalous history of the men of Essex **Rebellion, Rascals, and Revenue** Michael Keen,Joel Slemrod,2022-05-17 An engaging and enlightening account of taxation told through lively dramatic and sometimes ludicrous stories drawn from around the world and across the ages Governments have always struggled to tax in ways that are effective and tolerably fair Sometimes they fail grotesquely as when in 1898 the British ignited a rebellion in Sierra Leone by imposing a tax on huts and in repressing it ended up burning the very huts they intended to tax Sometimes they succeed astonishingly as when in eighteenth century Britain a cut in the tax on tea massively increased revenue In this entertaining book two leading authorities on taxation Michael Keen and Joel Slemrod provide a fascinating and informative tour through these and many other episodes in tax history both preposterous and dramatic from the plundering described by Herodotus and an Incan tax payable in lice to the misremembered Boston Tea Party and the scandals of the Panama Papers Along the way readers meet a colorful cast of tax rascals and even a few tax heroes While it is hard to fathom the inspiration behind such taxes as one on ships that tended to make them sink Keen and Slemrod show that yesterday s tax systems have more in common with ours than we may think Georgian England s window tax now seems quaint but was an ingenious way of judging wealth unobtrusively And Tsar Peter the Great s tax on beards aimed to induce the nobility to shave much like today s carbon taxes aim to slow global warming **Rebellion Rascals and Revenue** is a surprising and one of a kind account of how history illuminates the perennial challenges and timeless principles of taxation and how the past holds clues to solving the tax problems of today Development Policy as Public Finance Clive Bell,2003 Clive Bell s graduate text addresses the use of public economics in the formulation of development policy Particular emphasis is placed on social cost benefit analysis as a means to controlling public expenditure decisions Where the Eagle Landed Peter Haining,2004 The story of German forces landing on the Suffolk coast is one of the most persistent legends of World War Two Using recently declassified material Where the Eagle Landed offers a solution to an enduring mystery and sheds light on a fraught period of Britain s wartime history **Cumulative Bibliography of Victorian Studies** ,1970 Annual Bibliography of British and Irish History ,1988 **The Mariner's Mirror** Leonard George Carr Laughton,Roger Charles Anderson,William Gordon Perrin,1988 Southwold Geoffrey C. Munn,2006 The historical highlights of the sea side town of Southwold focusing on

the social and artistic elements community Writers and artists have always enjoyed each other's company and Southwold has proved hospitable to both coteries from William Shakespeare to George Orwell from Turner to Damien Hirst

The English Coast Peter Murphy, 2011-10-20 This book examines the interaction between people and the coast of England It spans from 700 000 years ago and the earliest evidence of humans in this remote corner of north west Europe to the end of the 20th century The coastline has witnessed interesting and significant events throughout history and looks set to do so in the future Often it is the first place where changes can be seen for example the effects of climate change It is also where evidence for human adaptation to environmental changes can most readily be seen The coast has of course also been a cultural contact zone for millennia in terms of trade industry immigration and conflict We are certainly at a time of great environmental and economic transition so it is apt to now take a long view and place current events in context Some changes happening today may seem unprecedented but in fact are not while others are entirely new One thing we can be sure of is that the coast and sea will become increasingly important to us both as an economic benefit and as a threat

Leigh-on-Sea Judith Williams, 2002 Described in 1565 as a very proper town well furnished with good mariners where commonly tall ships do ride Leigh had close associations with the Royal Navy during its heyday and among its many notable personalities William Brand's tablet in the old church records his command of the *Revenge* at Trafalgar As its shipbuilding industry declined the town became known for oysters and smuggling Rapid developments followed the arrival of the railway and much of the old town was destroyed but some old inns and cockle sheds remain to provide a tourist attraction This welcome book balances the history of the farlands woodlands and urban growth with that of the seafarers

Bibliography for ..., 1988

Government and Politics in Kent, 1640-1914 H. C. F. Lansberry, 2001 Early modern Kent with emphasis on changes in government from private patronage to a broader commercial and professional power base This volume the seventh in the Kent History Project complements those already published on *The Economy of Kent* and *Religion and Society in Kent between 1640 and 1914* The volume begins with an important new assessment of the impact of the Civil Wars and Interregnum in Kent which challenges some of the interpretations of previous studies of this period of Kent's history The major thrust of the volume is however the transformation of Kent's government from a system controlled by a small number of landed families into one in which on the eve of the First World War a much broader range of people from the commercial industrial and professional classes was involved There are also detailed studies of political radicalism in Kent between the late eighteenth and early twentieth centuries and of the impact of crime and the maintenance of public order The text is supported by appropriate maps tables and contemporary illustrations Contributors BRIAN ATKINSON BRUCE AUBRY JACQUELINE EALES PAUL HASTINGS BRYAN KEITH LUCAS FREDERICK LANSBERRY ELIZABETH MELLING
