Sneetches And Other Stories:

The Sneetches and Other Stories Dr. Seuss, 2013-10-22 An iconic collection of original stories from Dr Seuss that includes the official versions of *The Sneetches*, *The Zax Too Many Daves* and *What Was I Scared Of*. This is a beloved classic that deserves a place in every child's library from the bestselling author of *Horton Hears a Who!*, *The Lorax* and *Oh the Places You'll Go!*. *The Sneetches* got really quite smart on that day. The day they decided that Sneetches are Sneetches and no kind of Sneetch is the best on the beaches. The original collection includes the only complete versions of the following entertaining and insightful tales: *The Sneetches*, *The Star Belly Sneetches* and the *Plain Belly Sneetches* learn to overcome their differences. *The Zax*: When a North Going Zax encounters a South Going Zax traveling in the opposite direction, will their refusal to budge keep them both from going anywhere? *Too Many Daves*: A mother who names all twenty-three of her sons. Dave learns too late that a little individuality is a good thing. *What Was I Scared Of?* This delightfully silly story about a spooky pair of empty green pants delivers an important message about fear and tolerance. In these four timeless stories, Dr Seuss challenges the assumption that we need to look the same or behave the same to find common ground. Filled with Dr Seuss's signature rhymes and lively humor, this classic story collection is a must-have for readers of all ages and is ideal for sparking discussions about tolerance, diversity, and acceptance.

The Sneetches and Other Stories. Written and Illustrated by Dr. Seuss Dr. Seuss, 1965 **The Dr. Seuss Catalog** Richard H.F. Lindemann, 2015-02-16 Theodor Seuss Geisel, known worldwide as the beloved children's author, Dr Seuss produced a body of work that spans more than 70 years. Though most often associated with children's books, he frequently contributed cartoons and humorous essays to popular magazines, produced effective and memorable advertising campaigns, *Quick Henry the Flit* and won Oscars and Emmys for motion picture productions, animated shorts and features. As founder and president of Beginner Books, his influence on children's book publishing was revolutionary, especially in the field of elementary readers. Geisel's prolific career: he wrote or contributed illustrations to more than 75 books, most of which have been reprinted repeatedly and translated worldwide, and his predilection for made-up creatures make this joint bibliography and iconography especially useful to readers and researchers. The exhaustive bibliography is arranged chronologically, providing full bibliographic information, including translations, as they appear, reissue information, and descriptions of the binding. The iconography links more than 900 fictional names, places, and terms to the works in which they appear. For the reader seeking a first edition of *Quomodo Invidiosulus Nomine Grinchus Christi Natalem Abrogaverit* (*How the Grinch Stole Christmas* translated into Latin) or hoping to identify abrasion, contusions, race cars in *If I Ran the Circus*, this work promises as much discovery as a walk down Mulberry Street.

Racialized Schools Jesse A. Brinson, Shannon D. Smith, 2014-01-03 While racism continues to be a persistent and pervasive issue in our schools nationwide, the professionals charged with creating safe and nurturing educational environments have few resources available to address racism directly. *Racialized Schools* is on the leading edge of books that do just that and includes the latest research and praxis to help school personnel confront racism in a professional manner. A national qualitative survey of students, school counselors, teachers, and administrators sets the stage by providing readers with a 360-degree picture of today's schools and the many ways racism creeps into the lives of our students. The authors present a number of different models and perspectives on understanding and addressing racism, beginning with their own personal and professional experiences. Significant attention is also given to empowering school personnel and students to become racially aware, sensitive, and competent to address racism and racial conflicts in schools. *Racialized Schools* is not only a comprehensive look at racism within our schools; it is also a practical tool for use by teachers, school counselors, administrators, etc. for implementing preventative measures to combat racism directly.
