**Between Text and Image** Delia Chiaro, Christine Heiss, Chiara Bucaria, 2008-08-14 Over the past decade interest in research on screen translation has increased sharply while at the same time fast moving technological breakthroughs are continually modifying and renewing both products and well established methods of linguistic mediation Thus as more scholars choose to devote their energies to investigating this multi faceted field there is an ever growing need to map out where the discipline stands and where it is going in terms of research This book sets out to establish the state of the art of this ever expanding field and at the same time to underscore the work of scholars following new paths of investigation both in terms of innovative linguistic mediations being examined and pioneering experimental design The volume includes descriptions of sophisticated electronic databases and corpora of audiovisual products for the big and small screen and the rationale behind them e g how they are created and programmed for querying technical limitations homogeneity in querying languages Furthermore Between Text and Image also includes a number of cutting edge studies in audience perception of audiovisual products i e empirically based viewer centred studies which are still rare yet essential if we wish to gain a thorough understanding of the field Finally the volume does not fail to ignore examples of original research carried out from both a traditional linguistic viewpoint and from a more cultural perspective

**Beyond Hostile Islands** Daniel McKay, 2024-04-02 WINNER JAVIER COY BIENNIAL RESEARCH AWARD BEST MONOGRAPH Offers a fascinating window into how the fraught politics of apology in the East Asian region have been figured in anglophone literary fiction The Pacific War 1941 1945 was fought across the world's largest ocean and left a lasting imprint on anglophone literary history However studies of that imprint or of individual authors have focused on American literature without drawing connections to parallel traditions elsewhere Beyond Hostile Islands contributes to ongoing efforts by Australasian scholars to place their national

cultures in conversation with those of the United States particularly regarding studies of the ideologies that legitimize warfare Consecutively the book examines five of the most significant historical and thematic areas associated with the war island combat economic competition internment imprisonment and the atomic bombing of Hiroshima and Nagasaki Throughout the central issue pivots around the question of how or whether at all New Zealand fiction writing differs from that of the United States Can a sense of islandness the tyranny of distance M ori cultural heritage or the political legacies of the nuclear free movement provide grounds for distinctive authorial insights As an opening gambit Beyond Hostile Islands puts forward the term ideological coproduction to describe how a territorially and demographically more minor national culture may accede to the essentials of a given ideology while differing in aspects that reflect historical and provincial dimensions that are important to it Appropriately the literary texts under examination are set in various locales including Japan the Solomon Islands New Zealand New Mexico Ontario and the Marshall Islands The book concludes in a deliberately open ended pose with the full expectation that literary writing on the Pacific War will grow in range and richness aided by the growth of Pacific Studies as a research area

Donna Tartt,2011-09-30 \_\_\_\_\_ In a literary age of diet and dearth Tartt invites us to feast the opening tragedy strikes a note of rich flamboyant Southern Gothic that resonates throughout Independent You will rarely have read better Because of Tartt s mastery of suspense this book will grip readers all the way through to its bitter end Guardian Destined to become a special kind of classic a book that precocious young readers pluck from their parents shelves and devour with surreptitious eagerness thrilled to discover a writer who seems at once to read their minds and to offer up the sweet and sour fruits of exotic forbidden knowledge New York Times Book Review \_\_\_\_\_ A beautiful new limited edition paperback of The Little Friend Donna Tartt s huge selling second novel follow up to the worldwide bestseller The Secret History published as part of the Bloomsbury Modern Classics list The sunlit rails gleamed like dark mercury arteries branching out silver from the switch points the old telegraph poles were shaggy with kudzu and Virginia creeper and above them rose the water tower its surface all washed out by the sun Harriet cautiously stepped towards it in the weedy clearing Around and around it she walked around the rusted metal legs One day is never ever discussed by the Cleve family The day that nine year old Robin was found hanging by the neck from a tree in their front garden Twelve years later the family are no nearer to uncovering the truth of what happened to him Inspired by Houdini and Robert Louis Stevenson twelve year old Harriet sets out to find her brother s murderer and punish him But what starts out as a child s game soon becomes a dangerous journey into the menacing underworld of a small Mississippi town **Existence and Heritage** Tsenay Serequeberhan,2015-10-07

Explores overlapping concerns and themes in African a and continental philosophy In Existence and Heritage Tsenay Serequeberhan examines what the European philosophical tradition has to offer when encountered from the outsider perspective of postcolonial African thought He reads Kant in the context of contemporary international relations finds in Gadamer s work a way of conceiving relations among differing traditions and explores Heidegger s analysis of existence as it converges with Marx s critique of alienation In the confluence of these different assessments Serequeberhan articulates both a need and example of responding to Fanon s call for a new kind of thinking in philosophy He demonstrates both how continental philosophy can be a useful resource for theorizing Africa s postcolonial condition and how postcolonial thought and African philosophy can provide a new way of approaching and understanding the Western tradition *Emotions in Social Life* Gillian Bendelow,Simon J Williams,2002-09-11 The development of a sociology of emotions is crucial to our understanding of social life as they hold the key to our understanding of social processes and sociological investigation First

published in 1997 *Emotions in Social Life* consolidates the sociology of emotions as a legitimate and viable field of enquiry. It provides a comprehensive assessment of the sociology of emotions using work from scholars of international stature as well as newer writers in the field. It presents new empirical research in conjunction with innovative and challenging theoretical material and will be essential reading for students of sociology, health psychology, anthropology and gender studies. **Film and the Law** Steve Greenfield, Guy Osborn, Peter Robson, 2010-10-05. Described by Richard Sherwin of New York Law School as the law and film movement's founding text, this text is a second heavily revised and improved edition of the original *Film and the Law*. Cavendish Publishing, 2001. The book is distinctive in a number of ways: it is unique as a sustained book-length exposition on law and film by law scholars; it is distinctive within law and film scholarship in its attempt to plot the parameters of a distinctive genre of law films; its examination of law in film as place and space offers a new way out of the law film genre problem; and also offers an examination of representations of an aspect of legal practice and legal institutions that have not been addressed by other scholars. It is original in its contribution to work within the wider parameters of law and popular culture and offers a sustained challenge to traditional legal scholarship, amply demonstrating the practical and the pedagogic as well as the moral and political significance of popular cultural representations of law. The book is a valuable teaching and learning resource and is the first in the field to serve as a basic guidebook for students of law and film.
