Gina Macdonald, Andrew F. Macdonald, 2001-11-30 Fictional depictions of Native

American concepts of justice crime and the investigation of crime are explored in this original work Shaman or Sherlock explores depictions created by Native American authors themselves as well as those created by outsiders with mainstream agendas The most successful of these writers fuse authentic Native American culture with standard genre conventions thus providing an appealing empathetic view of little understood or underappreciated groups as well as insight into issues of cross cultural communication Dealing with such significant concepts as acculturation regional diversity and assimilation this

unique study evaluates over 200 detective stories Though the crime novel began in Europe as a manifestation of Enlightenment rationality and scientific methodology the Native American detective story moves into the realm of the spiritual and intuitive often incorporating depictions of non material phenomena Shaman or Sherlock explores how geographical and tribal differences degrees of assimilation and the evolution of age old cultural patterns shape the Native American detective story      **Abduction of a Slave** Dana Stabenow,2025-01-30 The gripping new historical mystery from New York Times bestselling author Dana Stabenow In Cleopatra s Egypt the clouds of war are on the horizon Cleopatra seventh of her name all powerful ruler of Egypt has found her most able and trusted agent in Tetisheri her Eye of Isis So when Tetisheri asks permission to visit the Kingdom of Cyrenaica she is surprised and suspicious when her queen grants her leave from Alexandria A middleman in Cyrenaica has ceased communication and Tetisheri s uncle a master trader is on a mission to find out why But there are others in Cyrenaica with hidden agendas Julius Caesar s spies Caesar s sworn enemy Metellus Scipio and the ever duplicitous King Juba I Tetisheri soon realises why Cleopatra consented to her mission for Cyrenaica is a web of intrigue that also includes Pompey s widow and an army readying to take on the might of Caesar who is massing his legions in Sicily With war on the horizon Tetisheri s skills will be stretched to the limit as she also tries to decipher a murder mystery closer to home Reviews for Dana Stabenow For rich idiosyncratic settings and engaging characters let me recommend Dana Stabenow Diana Gabaldon One of the strongest voices in crime fiction Seattle Times

Disappearance of a Scribe Dana Stabenow,2022-01-18 In this exquisite absorbing historical mystery Tetisheri confidant of Queen Cleopatra must solve a troubling case in ancient Alexandria Alexandria 47BC Cleopatra seventh of her name avatar of the goddess Isis ruler of the Kingdom of Egypt watches over her city The war is over but Alexandria has suffered in its wake Caesar has returned to Rome and the queen must restore her city and her kingdom to their former greatness But now a body has been found floating upright at the bottom of the sea anchored by a weight around its feet It s the second corpse to be found this way and with a city to rebuild and a kingdom to keep in line Cleopatra cannot allow any more murders to interfere So she sets Tetisheri her Eye and closest confidant to make things right As she delves deeper into the mystery Tetisheri will discover secrets conspiracy and danger far beyond her ken Reviews for Dana Stabenow Outstanding Washington Post One of the strongest voices in crime fiction Seattle Times A first rate talent Booklist      *The Dead Wives Society* Sharon Duncan,2003 Scotia s latest client was done wrong by her husband who stole all of her assets Scotia learns that this handsome devil has a history of scamming wealthy women When his ex wives start turning up dead Scotia must stop this serial groom before her client ends up in the morgue Original      *Mystery Women, Volume Three (Revised)* Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in

which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Cassette Books** Library of Congress.
