**Four Revenge Tragedies** Thomas Kyd, John Ford, John Webster, 2014-05-08 Francis Bacon described revenge as a kind of wild justice Then as now early modern playwrights and their theatre going public were fascinated by the anarchic energies that a desire for retribution unleashes Rather than rehearsing familiar conventions each of these plays presents a unique

social and cultural milieu where dark fantasies of revenge are variously played out In Kyd's *The Spanish Tragedy* a grieving father seeks public justice for the murder of his son by envious princelings When his attempts are thwarted he turns a court spectacle of murder into the real thing Blackly comic in its tone and style *The Revenger's Tragedy* anon presents vengeance as mimetic art witty and cruel Ford's *Tis Pity She's a Whore* represents an innovative reworking of the genre as a brother's love for his sister leads to his spectacular revenge on his rival her husband in a society in which brutal retaliation for perceived wrong is the norm In Webster's *The White Devil* crimes of passion ignite revenge in the courts of the Italian city states This student edition contains fully annotated modernized texts of each play together with an introduction discussing the dramatic and poetic style of each play focusing on its action and play of ideas *The Complete Works of John Webster* John Webster,1927 *The dramatic works of John Webster*, ed. by W. Hazlitt John Webster,1857 **Preface.**

**Bibliography. General introduction. Webster's life. Webster's imitation. The white devil** John Webster,1927 *Plays by Webster & Tourneur* John Addington Symonds,2018-04-05 Reproduction of the original Plays by Webster Tourneur by John Addington Symonds **The Works of John Webster** John Webster,Alexander Dyce,1830 **A Select Collection of Old Plays: The roaring girl; The widow's tears; The white devil, or Vittoria Corombona; The hog hath lost his pearl; The four prentices of London** Robert Dodsley,1825 **General introduction. The white devil** John Webster,1928 **A Select Collection of Old Plays: Roaring girle** Robert Dodsley,John Payne Collier,1825 *The White Devil* John Webster,2024-03-31 *The White Devil* by John Webster is a gripping tragedy that explores themes of revenge betrayal and moral corruption in Renaissance Italy Written during the Jacobean era this play is known for its dark and intense portrayal of human nature and its unflinching examination of the consequences of unchecked ambition and desire Set in the court of Duke Brachiano in Rome the play follows the tumultuous lives of several characters including Vittoria Corombona the titular White Devil who becomes embroiled in a web of intrigue and violence As the plot unfolds we witness the devastating effects of jealousy manipulation and deceit as characters scheme and plot against one another in their quest for power and revenge At the heart of the play is the character of Vittoria a complex and enigmatic figure who defies societal expectations and challenges the traditional roles assigned to women Her defiance and independence make her both a compelling protagonist and a tragic figure as she becomes ensnared in a cycle of violence and betrayal from which there is no escape **A Select Collection of Old Plays: The roaring girle; The widow's tears; The white devil; The hog hath lost his pearl; The foure prentises of London** Robert Dodsley,1825 *Webster & Tourneur* Cyril Tourneur,John Webster,2019-12-06 The anthology Webster Tourneur encapsulates the intricate dance of Jacobean tragedy through an expertly curated selection of plays The collection celebrates the macabre beauty and profound complexities of revenge tragedies illuminating the bleak landscapes and fatalistic themes prevalent in early 17th century drama Within its pages readers encounter a range of literary styles from the densely woven webs of poetic dialogue to starkly vivid imagery that

punctuates the narratives This anthology stands out for its exploration of social political and existential themes offering deep insight into the human condition and highlights key dramatic pieces that exemplify the era s theatrical ingenuity The editors have assembled works that reflect the transformational period of Jacobean England reflecting the dark undercurrents of a time teetering on the cusp of change The contributors notably Cyril Tourneur and John Webster were instrumental figures within the movement Their works collectively resonate with the shadows of their cultural milieu dealing with themes of corruption betrayal and the relentless pursuit of retribution By drawing from the socio political climate of their time these playwrights offer readers a portal into a world where the court and the common man alike grapple with mortality and morality Reading Webster Tourneur is an invitation to plunge into the depths of Jacobean tragedy enriched by the perspectives of two masterful playwrights This compilation offers not only a literary journey through revenge driven narratives but also an educational experience intricately tied to its historical context It serves as a vital resource for those seeking to understand an era defined by its dramatic tension incisive wit and the universal struggles of its characters With each piece the collection promises to engage enlighten and provoke thoughtful discourse on the timeless themes of power identity and human frailty

**A Select Collection of Old Plays in Twelve Volumes** Robert Dodsley,1780      **The roaring girle, or, Moll Cut-purse. The widow's tears. The white devil, or, Vittoria Corombona. The foure prentises of London, with the conquest of Jerusalem** Isaac Reed,Octavius Gilchrist,1826      *The Selected Plays of John Webster* Jonathan Dollimore,Alan Sinfield,1983-09-08

The plays of John Webster are read and seen more widely today than at any time since they were written provoking much disagreement in the process The continuing debate about his political religious and philosophical attitudes his formal skills and the importance of his plays for understanding the changing culture in which they were written make Webster the most controversial of all Jacobean dramatists This volume includes freshly collated fully annotated and cross referenced texts of his three best known plays together with introductions and a useful critical bibliography
