After decades of research experimentation and teaching in a variety of settings Moss provides a hands on approach to rediscovering re creating and enjoying foods from the early South The book begins by steeping the reader in history culinary tools and the common cooking techniques of the time Then Moss presents a collection of tasteful and appealing southern ancestral receipts that can be fashioned into brilliant heirloom dishes for our twenty first century tables There are dishes fit for a simple backwoods celebration or an elegant plantation feast intriguing new possibilities for a modern Thanksgiving dinner and even simple experiments for a school project or for sharing with a favorite child This book is for the cook who wants to try something old that is new again
