influenced each other and how they in turn shaped the urban environment Quickie divorces notwithstanding Reno's primary growth engine was gambling modern casinos came to dominate the downtown landscape When mainstream America balked Reno countered by advertising tax freedom and natural splendor to attract new residents But by the mid seventies unchecked growth and competition from Las Vegas had initiated a downslide that persisted until a carefully crafted series of special events and the rise of recreational tourism began to attract new breeds of tourists Barber's engaging story portrays Reno as more than a second string Las Vegas having pioneered most of the attractions gaming and prizefighting divorces and weddings that made the larger city famous As Reno continues to remold itself to weather the shifting winds of tourism and growth Barber's book provides a cautionary tale for other cities hoping to ride the latest consumer trends *The complete travel guide for Reno* , At YouGuide we are dedicated to bringing you the finest travel guides on the market meticulously crafted for every type of traveler Our guides serve as your ultimate companions helping you make the most of your journeys around the world Our team of dedicated experts works tirelessly to create comprehensive up to date and captivating travel guides Each guide is a treasure trove of essential information insider insights and captivating visuals We go beyond the tourist trail uncovering hidden treasures and sharing local wisdom that transforms your travels into extraordinary adventures Countries change and so do our guides We take pride in delivering the most current information ensuring your journey is a success Whether you're an intrepid solo traveler an adventurous couple or a family eager for new horizons our guides are your trusted companions to every country For more travel guides and information please visit www.youguide.com
