The Complete Catalogue Of British Cars:

The Complete Catalogue of British Cars 1895-1975 David Culshaw, Peter Horrobin, 1997 A comprehensive account of British cars this book presents a large amount of information historical as well as technical in a way which should serve the needs of the dedicated enthusiast and the general reader Nearly over 700 manufacturers and some 3700 individual models are covered including technical specification for most cars A wide selection of photographs feature all the major marques and some minor ones

The Complete Catalogue of British Cars David Culshaw, Peter James Horrobin, 1974 **The Complete Catalogue of British Cars** David J. Culshaw, Peter James Horrobin, 1974 *Art Deco and British Car Design* Barrie Down, 2010 This is a book about automotive styling in particular the streamlined styling that defined what are now known as Airline cars During the mid 1930s the majority of British car manufacturers and coachbuilders experimented with streamlined styling This fashion was the result of Art Deco an international movement that influenced design and marketing in many different industries and produced some of the most unique and visually exhilarating cars ever produced in Britain Part One of the book explains and illustrates the Art Deco styling elements that link these streamlined car designs and describes their development their commonality and their unique aeronautical names The stories of the individual cars their designers and their development are told in Part Two Here Barrie Down has collected examples of all the significant British streamlined production cars made between 1933 and 1936 many of them still represented by beautifully restored survivors The book is well illustrated with over 200 contemporary pictures and colour photographs of existing cars many of which have never before been published This book is an instructive and visual feast for all car lovers

British Lorries of the 1950s Malcolm Bobbitt, 2009 This book is a highly visual study of British lorries built during the 1950s and contains 120 colour and black and white images many contemporary The photographic content extends to publicity material as well as the preservation scene depicting historic vehicles at work All the familiar and less familiar names are evident and the comprehensive text reveals much about Britain's commercial vehicle and road haulage industries along with those marques that

British Car Advertising of the 1960s Heon Stevenson, 2015-03-27 During the 1960s the automobile finally secured its position as an indispensable component of daily life in Britain Car ownership more than doubled from approximately one car for every 10 people in 1960 to one car for every 4.8 people by 1970 Consumers no longer asked Do we need a car but What car shall we have This well illustrated history analyzes how both domestic car manufacturers and importers advertised their products in this growing market identifying trends and themes Over 180 advertisement illustrations are included *The Complete History of Wheeled Transportation* Britannica Educational Publishing, 2011-11-01 While the wheel itself has changed little over time it has immeasurably altered the nature of transportation This insightful volume examines the various wheeled conveyances that have been instrumental in agriculture and commerce carts and wagons for instance as well as those that have facilitated human travel coaches bicycles cars and buses among others Also

explored is the evolution of roads as they have expanded to accommodate various modes of wheeled transportation

Rootes Cars of the 1950s, 1960s and 1970s - Hillman, Humber, Singer, Sunbeam and Talbot David Rowe, The only full colour comprehensive guide to all Hillman Humber Sunbeam Singer Talbot cars and vans from 1950 until the end of production in the 1970s With model by model descriptions and detailed technical information this is an invaluable Rootes resource

British Microcars 1947-2002 Duncan Cameron, 2018-06-28 From the 1940s to the 1960s the microcar posed a challenge to the large companies that mass produced cars to uniform designs The microcar was the opposite produced by small entrepreneurial start ups using quirky design concepts that offered motorists cheaper and more economical vehicles This book is a beautifully illustrated history of the British microcar from the early days of Bond and Reliant to the proliferation of micro marques during the 1950s and their demise during the 1960s It explores many eccentric British concepts comparing the cars to their influential European competitors examining the social and economic reasons for the decline and disappearance of the microcar but also saluting the signs of a microcar renaissance in the twenty first century this time from mainstream manufacturers
