**The Completely Guilty Bystander A Collection Of Casual Observations And One Seriously Dysfunctional Family:**

*The Completely Guilty Bystander* Mark Gaberman, 2000-03 After reading Whitman's *Leaves of Grass* Robert Louis Stevenson called it a book which tumbled the world upside down for me Stevenson died in 1894 so we can only imagine what he might have thought of *The Completely Guilty Bystander* Perhaps after leafing through stories such as *Grace Jones and the Garden of Eden* *Playing Doctor at the Reception* or *Mortal Combat with the Paper Pillow* Mr Stevenson's view of the world might once again have spun dangerously out of control Maybe Dr Jekyll and Mr Hyde would have mentioned the hidden but surprisingly possible benefits of organized crime to the community Or the desperate lengths a man will go to in the course of trying to get his phone service re connected The world can only be left to wonder if he even would have added a section on anger in everyday life and how it could relate back to TV's *The Incredible Hulk* Of course if Robert Louis Stevenson read those stories today he'd be about 150 years old so really that act alone would have been very impressive **The Concise**
