**Set the Night on Fire** Mike Davis, Jon Wiener, 2020-04-14 Histories of the US sixties invariably focus on New York City but Los Angeles was an epicenter of that decade's political and social earthquake. L.A. was a launchpad for Black Power where Malcolm X and Angela Davis first came to prominence and the Watts uprising shook the nation and home to the Chicano walkouts and Moratorium as well as birthplace of Asian America as a political identity base of the antiwar movement and of course centre of California counterculture. Mike Davis and Jon Wiener provide the first comprehensive movement history of L.A. in the sixties drawing on extensive archival research, scores of interviews with principal figures of the 1960s movements and personal histories. Both Davis and Wiener are native Los Angelenos. Following on from Davis's award-winning L.A. history *City of Quartz*, *Set the Night on Fire* is a fascinating historical corrective delivered in scintillating and fiercely elegant prose.      Paperbound Books in Print, 1992      **The Twin Cities and Minnesota** J.
