Johnson, 2017-07-05 Based on the memoirs of Aelred J Gray former chief planner this book reviews how the Tennessee Valley Agency TVA a world renowned model for regional planning and development functioned and changed through the decades It shows how the TVA pioneered land use planning to create state parks alongside the Tennessee river's hydro electric power stations and dams how it developed model towns influenced city planning and introduced the landmark Flood Damage Prevention program *A Bibliography for the TVA Program*

Tennessee Valley Authority. Library, Bernard L. Foy, 1960 [TVA photography](#), **The Emergence of the New South, 1913-1945** George Brown Tindall, 1967-11-01 The history of the South in this century has been obscured in the ever growing mass of information about the region's rapid change and turbulent development In this book Volume X of A History of the South the historical image of the modern South is brought into full focus for the first time George Brown Tindall presents a thorough and well balanced historical narrative of the region during the years 1913 1945 when the South underwent a transformation from a predominantly agricultural area to one of growing industrialization The inauguration of President Woodrow Wilson ended a half century of political isolation for the South and ushered in an era of agrarian reforms prohibition woman suffrage industrial growth and recurring crises for Southern farmers During the 1920's the South was caught in a contrast of urban booms and farm distress There were flareups of racial violence and the Ku Klux Klan was

revived Mr Tindall devotes considerable attention to the Southern literary renaissance which produced William Faulkner Thomas Wolfe and many other notable writers and critics The Emergence of the New South provides a new understanding of the changing political and social climate in the South under the stresses of depression the New Deal the labor movement Negro unrest and two world wars      **Columbia River Power for the People** ,1981      Water and the West Norris Hundley,2009-05-15 Back in print for the first time in over ten years this classic account of the numerous struggles national state and local that have occurred over western American water rights since the late 1800s is thoroughly expanded and updated to trace the continuing battles raging over the West s most valuable and contentious resource      **Natural Power** Rock Brynner,2016-12-07      **Amassing Power** David Perera Massell,Forest History Society,2000 At the turn of the century American industrialist J B Duke set his sights on one of North America s greatest and most spectacular rivers the Saguenay In Amassing Power David Massell chronicles thirty years of international intrigue as Duke manoeuvred to gain access to develop and sell the tremendous hydro electric potential of a remote river in Quebec The damming of the Saguenay brought industrialisation on a grand scale to rural Quebec in the form of newsprint and aluminum manufacture Tapping into rich and diverse sources in Canada the United States and Europe Massell provides an interdisciplinary cross border study of American capital and Canadian resources He shows us how ever larger amounts of capital yielded increasingly massive and sophisticated applications of hydroelectric technology Grand industrial plans in turn encroached upon provincial water rights and farmers lands which drew the attention of the state He examines the protracted power struggle between public and private interests between American capitalists and the nascent bureaucracy of the province of Quebec and describes the origins and evolution of the events that led to state control over hydraulic resources in the province In doing so he provides vivid portraits of Duke and of Quebec politicians of the period and gives a dramatic account of the protracted battle of wits between Duke s chief engineer William States Lee and Quebec s chief of Hydraulic Service Arthur Amos Amassing Power speaks to the integration of North American economies vividly illustrating the process by which American capital drew Canada s resource rich North into the economic orbit of the United States      **The FDR Years** William Edward Leuchtenburg,1995 A renowned historian recounts how President Roosevelt inspired the country and changed forever the political social economic and even the physical landscape of the United States Cover      *From the Family Farm to Agribusiness* Donald J.
