The Contemporary Muslim Movement In The Philippines:

The Contemporary Muslim Movement in the Philippines Cesar Adib Majul, 1985 The Contemporary Muslim **Movement in the Philippines** Cesar Adib Majul, 1985-01-01 Shapers of Islam in Southeast Asia Sved Muhd. Khairudin Aljunied, Khairudin Aljunied, 2022 Shapers of Islam in Southeast Asia captures the progressive and pluralistic nature of Islamic reformism in Southeast Asia from the mid twentieth century onwards a period that can now be regarded as the age of networked Islam The book shows how several influential Muslim intellectuals have given rise to an Islamic reformist mosaic The Internationalization of Internal Conflicts Amy L. Freedman, 2016-04-29 Internal security crises in Southeast Asia from environmental disaster extreme poverty and deprivation armed conflicts or ethnic or religious conflict provide sites of opportunity for those seeking to internationalize conflicts Domestic conflicts in Africa the Middle East and Southeast Asia have started as internal problems but have taken on regional and international dimensions as parties to the conflict within the country and sympathetic external forces have joined forces with each other for mutual gain This book examines the international dimension to internal conflicts and asks under what conditions do domestic conflicts become opportunities for regional or global actors to become involved Why have some countries been able to successfully deal with this problem while others have not Who are the actors who seek to internationalize conflicts Why and with what means do they become involved and how do their agendas get internalized localized Cases include the separatist movements in the Philippines Southern Thailand Aceh Indonesia and the civil wars in Rwanda Congo and Sierra Leone Liberia Lebanon and Iraq This book finds that a combination of greater democratization internally coupled with constructive outside mediation efforts can produce conditions necessary to prevent conflicts from escalating or diffusing and can facilitate peace building Several chapters in this book were originally published as a special issue of Asian Security A Modern History of the Islamic World Reinhard Schulze, 2002-03 Considering the Islamic world from Morocco to Indonesia Somalia and Bosnia Schulze Islamic studies U of Berne charts their histories during the 20th century Rather than taking each one in turn he narrates chronologically the political changes throughout the world where Islam is the dominant cultural force He begins with the impact of colonialism and ends with struggle between Islamic culture and civil society in the 1990s He includes several maps Annotation copyrighted by Book News Inc Portland OR Religion & Identity Politics: Global Trends And Local Realities Mathews Mathew, Melvin Tay, 2021-06-18 Discourse on fundamentalism has gained much attention in recent years particularly in a post 9 11 context where extremist or terrorist threats are more prominent perilous and pervasive This edited volume seeks to spotlight the perspectives of academics and practitioners vis vis global trends in religious fundamentalism and right wing extremism over the past decade It presents a collection of works from notable academics and practitioners including a selection of case studies from Asia to illustrate the contemporary interplay of religion politics and identity alongside broader global trends of religious fundamentalism The chapters that follow attempt to trace the sources and factors that led to the

dramatic rise in these powerful forces of faith which influence societies and politics around the world Together they present a carefully curated narrative of the interplay of religion and identity politics globally and across Asia The prevailing differences in demographics history and the extent of ethno religious diversity across country contexts are perused across each chapter and the ensuing circumstances deliberated upon As these circumstances change the ways people interpret their identities engage in politics and navigate their religion will also evolve How we manage the effects of religious fundamentalism must hence begin with an understanding of how religion identity and politics interact and this is what the upcoming chapters seek to illustrate Gangsters, Democracy, and the State in Southeast Asia Carl A. Trocki, 2018-05-31 An essay collection that studies workaday regional politics in Southeast Asia and its implications for evolving democracies The contributors examine the electoral process conflicts between central and local governments conflicts between individual freedoms and state power and the roles charismatic opportunistic strongmen have played in Ottoman-Southeast Asian Relations (2 vols.) Southeast Asian politics most notably in Thailand Burma and the Philippines Ismail Hakkı Kadı, A.C.S. Peacock, 2019-11-04 Ottoman Southeast Asian Relations Sources from the Ottoman Archives is a product of meticulous study of smail Hakk Kad A C S Peacock and other contributors on historical documents from the Ottoman archives The work contains documents in Ottoman Turkish Malay Arabic French English Tausug Burmese and Thai languages each introduced by an expert in the language and history of the related country The work contains documents hitherto unknown to historians as well as others that have been unearthed before but remained confined to the use of limited scholars who had access to the Ottoman archives The resources published in this study show that the Ottoman Empire was an active actor within the context of Southeast Asian experience with Western colonialism The fact that the extensive literature on this experience made limited use of Ottoman source materials indicates the crucial importance of this publication for future innovative research in the field Contributors are Giancarlo Casale Annabel Teh Gallop R fat G nalan Patricia Herbert Jana Igunma Midori Kawashima Abraham Sakili and Michael Talbot Crisis in the Philippines John Bresnan, 2014-07-14 The book provides an overview of the history of the Philippines from the period of Spanish colonial domination to the present and analyzes the twenty year Marcos record and the causes of the downfall of the Marcos regime The essays will greatly aid the general reader in understanding the Philippine American relationship Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Islam in an Era of Nation-States Robert W. Hefner, Patricia Horvatich, 1997-09-01 The renewal of the Muslim faith which has occurred not only in Asia but in other parts of the world has

prompted warnings of an imminent clash of civilizations between Islam and the West Islam in an Era of Nation States examines the history politics and meanings of this resurgence in Indonesia Malaysia and the Philippines and explores its implications for Southeast Asia the larger Muslim world and the West This volume will be of interest to students of Islam Southeast Asian history and the anthropology of religion In examining the politics and meanings of Islamic resurgence it will also speak to political scientists religious scholars and others concerned with culture and politics in the late modern era

Ballano, 2015-12-26 This book addresses the persistence of the optical media piracy trade in the Philippines and Vietnam It goes beyond arguments of defective law enforcement and copyright legal systems by applying sociological perspectives to examine the socio economic forces behind the advent of piracy in the region Using documentary and ethnographic data in addition to resistance and ecological theories in sociology of law and technology as the overall theoretical framework the book investigates factors that contribute to this phenomenon and factors that impede the full formalization of the optical media trade in the two countries These factors include the government's attitude towards the informal sector and strong resistance to tougher IPR protection unstable and sometimes conflicting policies on technologies burdensome business registration process and weak enforcement of business regulations bureaucratic corruption and loopholes in law enforcement system as well as trade ties with China In addition to that the book highlights the social background of the actors behind the illegal business of counterfeit CDs and DVDs thereby explaining the reasons they continue to persist in this type of trade It invites policymakers law enforcers advocates of anti

piracy groups and the general public to use a more holistic lens in understanding the persistence of copyright piracy in developing countries shifting the blame from the moral defect of the traders to the current problematic copyright policy and enforcement structure and the difficulty of crafting effective anti-piracy measures in a constantly evolving and advancing technological environment <u>Transforming Violent Political Movements</u> Kevin E.
