Palmer, 1991-05 Earl Palmer's exposition of 1 2 3 John and Revelation introduces the reader to the mind and heart of the Apostle John in a stunning way The explanation of the deeper meaning of the Johannine epistles combines a scholar s research and a communicator s concern that we experience the full impact of John s message about life truth and love Christianity Today ,1988 A Structural Commentary on the So-Called Antilegomena Kalina Wojciechowska, Mariusz Rosik, 2024-06-17 The structural approach facilitates exposure of the elements of eschatological teaching characteristic of 2 Peter's author with its correct or incorrect interpretation Narratives drawn from Jewish tradition aim to show two attitudes towards the announcement of destruction a positive attitude signifying salvation and a negative attitude signifying annihilation This pattern is transferred to the attitude towards prophetic and apostolic eschatological teaching Part 1 of the commentary 2 Pet 1 2 focuses on the misinterpretation of this teaching by false teachers and their followers Their eschatological scepticism is ridiculed and their grim fate described As the starting point for this description and Peter's whole line of argumentation 2 Pet 2 3b is taken the thesis is that God's inaction is only apparent while judgment and punishment are inevitable although only God knows when they will be executed Part 2 of the commentary 2 Pet 3 focuses on the proper interpretation of this teaching and on laying out the principles of the letter author's hermeneutics This hermeneutic construes texts from Jewish tradition as foreshadowing and typologies of eschatological events In explaining the principles of his hermeneutic the letter's author drew on the creation story which Jewish apocalypticism read inversely to mark that the eschatological hermeneutics is rooted in tradition The starting point of Peter's line of argumentation was taken

to be 2 Pet 3 5 7 with its thesis of God's creative and destructive word and God's sovereign will regarding the preservation of creation and the appointment of the time of judgement This thesis explains the apparent lack of divine action which was also a major concern in Part 1 of the commentary 2 Pet 1 2 The Preacher's Commentary, Complete 35-Volume Set: Genesis -Revelation Leslie C.
