McKee, Christy Collis, Ben Hamley, 2014-06-11 Entertainment Industries is the first book to map entertainment as a cultural system Including work from world renowned analysts such as Henry Jenkins and Jonathan Gray this innovative collection explains what entertainment is and how it works Entertainment is audience centred culture The Entertainment Industries are a uniquely interdisciplinary collection of evolving businesses that openly monitor evolving cultural trends and work within them The producers of entertainment central to that practice are the new artists They understand audiences and combine creative business and legal skills in order to produce cultural products that cater to them Entertainment Industries describes the characteristics of entertainment the systems that produce it and the role of producers and audiences in its development as well as explaining the importance of this area of study and how it might be better integrated into Universities This book was originally published as a special issue of Continuum Journal of Media Cultural Studies **Communicating**

Marginalized Masculinities Ronald L. Jackson, Jamie E. Moshin, 2013 For years research concerning masculinities has explored the way that men have dominated exploited and dismantled societies asking how we might make sense of marginalized masculinities in the context of male privilege This volume asks not only how terms such as men and masculinity are socially defined and culturally instantiated but also how the media has constructed notions of masculinity that have kept minority masculinities on the margins Essays explore marginalized masculinities as communicated through film television and new media visiting representations and marginalized identity politics while also discussing the dangers and pitfalls of a media pedagogy that has taught audiences to ignore sidestep and stereotype marginalized group realities While dominant portrayals of masculine versus feminine characters pervade numerous television and film examples this collection examines

heterosexual and queer military and civilian as well as Black Japanese Indian White and Latino masculinities offering a variance in masculinities and confronting male privilege as represented on screen appealing to a range of disciplines and a wide scope of readers
