performances to benefits for the Spanish Civil War Graff documents the passionate involvement of American dancers in the political and social controversies that raged throughout the Depression era Dancers formed collectives and experimented with collaborative methods of composition at the same time that they were marching in May Day parades demonstrating for workers rights and protesting the rise of fascism in Europe Graff records the explosion of choreographic activity that accompanied this lively period when modern dance was trying to establish legitimacy and its own audience Stepping Left restores a missing legacy to the history of American dance a vibrant moment that was suppressed in the McCarthy era and almost lost to memory Revisiting debates among writers and dancers about the place of political content and ethnicity in new dance forms Stepping Left is a landmark work of dance history

Doris Humphrey Naomi Mindlin, 1998 The Arthurian legend closes with a promise On a distant day when his country calls the king will return His lost realm will be regained and his shattered dream of an ideal world will at last be realized This collection of original essays explores the issue of return in the modern Arthurian legend With an Introduction by noted scholar Raymond H Thompson and 13 essays by authors from the fields of literature art history film history and folklore this collection reveals the flexibility of the legend Just as the modern legend takes the form current to its generation the myth of return generates a new legend with each telling As these authors show return can come in the form of a noble king or a Caribbean immigrant with the mystery of an art theft or a dying boy's dream

Reading Dancing Susan Leigh Foster, 1986 Winner of the Dance Perspectives Foundation de la Torre Bueno Prize Recent approaches to dance composition seen in the works of Merce Cunningham and the Judson Church performances of the early 1960s suggest the possibility for a new theory of choreographic meaning Borrowing from contemporary semiotics and post structuralist criticism Reading Dancing outlines four distinct models for representation in dance which are illustrated first through an analysis of the works of contemporary choreographers Deborah Hay George Balanchine Martha Graham and Merce Cunningham and then through reference to historical examples beginning with court ballets of the Renaissance The comparison of these four approaches to representation affirms the unparalleled diversity of choreographic methods in American dance and also suggests a critical perspective from which to reflect on dance making and viewing

Dancing Women Sally Banes, 2013-11-05 Dancing Women Female Bodies Onstage is a spectacular and timely contribution to dance history recasting canonical dance since the early nineteenth century in terms of a feminist perspective Setting the creation of specific dances in socio political and cultural contexts Sally Banes shows that choreographers have created representations of women that are shaped by and that in part shape society's continuing debates about sexuality and female identity Broad in its scope and compelling in its argument Dancing Women provides a series of re readings of the canon from Romantic and Russian Imperial ballet to contemporary ballet and modern dance investigates the gaps between plot and performance that create sexual and gendered meanings examines how women's agency is created in dance through aspects of choreographic structure and style analyzes a range of women's images including brides mistresses mothers sisters witches

wraiths enchanted princesses peasants revolutionaries cowgirls scientists and athletes as well as the creation of various women's communities on the dance stage suggests approaches to issues of gender in postmodern dance Using an interpretive strategy different from that of other feminist dance historians who have stressed either victimization or celebration of women Banes finds a much more complex range of cultural representations of gender identities
