The Complete Works of C. H. Spurgeon, Volume 15 Spurgeon, Charles H., 2015-02-25 Volume 15 Sermons 848 907 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming

buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon

Margery (Gred): A Tale of Old Nuremberg (Complete) Georg Ebers, 2020-09-28 I MARGERY SCHOPPER was born in the year of our Lord 1404 on the Tuesday after Palm Sunday My uncle Christan Pfinzing of the Burg a widower whose wife had been a Schopper held me at the font My father God have his soul was Franz Schopper known as Franz the Singer He died in the night of the Monday after Laetare Sunday in 1404 and his wife my mother God rest her whose name was Christine was born a Behaim she had brought him my two brothers Herdegen and Kunz and she died on the eve of Saint Catharine s day 1404 so that I lost my mother while I was but a babe and God dealt hardly with me also in taking my father to Himself in His mercy before I ever saw the light Instead of a loving father such as other children have I had only a grave in the churchyard and the good report of him given by such as had known him and by their account he must have been a right merry and lovable soul and a good man of business both in his own affairs and in those pertaining to the city He was called the Singer because even when he was a member of the town council he could sing sweetly and worthily to the lute This art he learned in Lombardy where he had been living at Padua to study the law there and they say that among those outlandish folk his music brought him a rich reward in the love of the Italian ladies and damsels He was a well favored man of goodly stature and pleasing to look upon as my brother Herdegen his oldest son bears witness since it is commonly said that he is the living image of his blessed father and I who am now an old woman may freely confess that I have seldom seen a man whose blue eyes shone more brightly beneath his brow or whose golden hair curled thicker over his neck and shoulders than my brother s in the high day of his happy youth He was born at Eastertide and the Almighty blessed him with a happy temper such as he bestows only on a Sunday child He too was skilled in the art of singing and as my other brother my playmate Kunz had also a liking for music and song there was ever a piping and playing in our orphaned and motherless house as if it were a nest of mirthful grasshoppers and more childlike gladness and happy merriment reigned there than in many another house that rejoices in the presence of father and mother And I have ever been truly thankful to the Almighty that it was so for as I have often seen the life of children who lack a mother s love is like a day when the sun is hidden by storm clouds But the merciful God who laid his hand on our mother s heart filled that of another woman with a treasure of love towards me and my brothers

Total Onslaught Paul Moorcraft, 2018-08-30 The end of the Second World War may have heralded peace in Europe but conflicts in Southern Africa were about to begin The imperial powers were weakened by the cost of war and a string of wars challenged colonial rule in countries such as Namibia Angola and Rhodesia Once independence was achieved civil wars between rival factions unfamiliar with democratic principles resulted Liberation movements such as those in South Africa demanded self rule and end to Apartheid Tribal feuds corruption and the ambitions of dictators led to more conflicts such as the protracted fighting in the Congo These were wars that ran on until both sides were exhausted often only to be rekindled after short periods of uneasy peace The cost in human and material terms has been devastating and in too many
