Pulpit and Politics Corwin E. Smidt,2004 Pulpit and Politics presents the most current and comprehensive examination of the religious beliefs and political behavior of American clergy at the advent of the new millennium Based on data gathered during the 2000 Presidential election this study examines the relationship between belief and behavior theology and politics religious commitments and social activism from African American Baptist Jewish Mainline Protestant Roman Catholic and other religious groups Pulpit and Politics is a treasure trove of historical comparative and statistical information about the political behavior of America s clergy      Subject Catalog, 1978 Library of Congress,1978      *A Biblicist View of Law and Gospel* Lester L. Stephenson,2017-06-09 Paul told the Romans the Law is holy and the commandment is holy and righteous and good Yet four times in three epistles he wrote We are not under law but under grace Christians read these seemingly conflicting statements and are easily confused They wonder if anyone can understand how the law and the Old Testament relates to their faith Some take the easy way out and all but ignore the Old Testament calling it legalism They prefer to concentrate on and enjoy the magnificent grace of God that comes with salvation This limits their understanding of the Scriptures and indeed restricts spiritual growth Confusion further abounds because just about every denomination has a different interpretation of the law and the relationship between the testaments Lester Stephenson proposes a different approach rooted in Jesus words in Matthew 5 17 18 Do not think that I came to abolish the Law or the Prophets I did not come to abolish but to fulfill For truly I say to you until heaven and earth pass away not the smallest letter or stroke shall pass from the Law until all is accomplished Those two verses call for Christians to look anew at the law and the rest of the Old Testament Not one part of the law or what the prophets wrote will pass away until Jesus has completely fulfilled it

Stephenson stresses that Christians must recognize the importance of the Bible that Jesus and the apostles used Each time Jesus and the apostles used the phrase it is written they were using an Old Testament passage to illustrate a New Testament principle In A Biblicist View of Law and Gospel Stephenson advocates a biblicist view based on careful Bible study to explain how Christians are to view the law and the way the testaments fit together as an inspired whole Catalog of Copyright Entries. Fourth Series Library of Congress. Copyright Office,1980 *Churrasco* Mary (Joy) Philip,John Arthur Nunes,Charles M. Collier,2013-05-01 Just as a churrasco is a Brazilian barbecue of a variety of meats Churrasco skewers together an ebullient and eclectic assortment of theological texts from around the world to honor and celebrate one of Brazil s most eclectic and creative theologians V tor Westhelle Churrasco brings together different fields and disciplines transgressing boundaries and allowing them to seep into each other Though predominantly Lutheran the authors hail from various denominations and contexts Poised between in depth doctrinal and practically reflective essays are poetically creative pieces The contributions are exemplars of how to develop and foster language for God talk and how to appropriate our God talk in relationships with fellow human beings and with the environment The topical range is wide and spans from the theology of the cross to eschatology postcolonialism ecumenism science and religion the erotic otherness experience literature poetry and the reformer Martin Luther Unfettered by a common theme the essays nevertheless connect and weave a tapestry they raise key questions and they challenge theologians not only to rethink traditional concepts and contemporary views but also to reevaluate the task of theology itself Contributors include Walter Altmann Oswald Bayer Kathleen D Kadi Billman Luis H Dreher Philip Hefner Reinhard H tter Claudia Jahnelt Antje Jackel n Musimbi Kanyoro Robert Kolb John Arthur Nunes Kathlen Luana Ted Peters Mary Philip Jose David Rodriguez Deanna A Thompson Else Marie Wiberg Pederson Robert Zwetsch **Lex Aeterna** Jordan Cooper,2017-03-09 Martin Luther s theological revolution depended in a significant part upon the distinction between law and gospel Within the last hundred years several authors have reevaluated the reformer s understanding of this paradigm in light of its development within the Lutheran orthodox tradition Some authors have argued that the Lutheran scholastic view of God s law departs from that of Luther Specifically it is contended that the Lutheran orthodox argued for a definition of the law which defines it as God s eternal will in contradiction to Luther s approach wherein the law is defined almost exclusively in negative terms as a temporal order to eventually be replaced and superseded by the gospel In this work Jordan Cooper argues for the continued validity of the Lutheran orthodox definition of the law Throughout this text he contrasts the perspective of Radical Lutheran theologians like Gerhard Forde with that of earlier Lutheran writers such as Martin Chemnitz and Johann Gerhard It is argued that Forde s view is inadequate to address contemporary ethical and pastoral issues and that the Lutheran scholastic doctrine of the law as God s eternal will remains a necessary concept for the contemporary church **Religious Books and Serials in Print, 1980-1981** ,1980 Union List of Periodicals North Suburban Library System (Wheeling, Ill.),1999 **Preaching Conversations with Scholars**

Rodney Wallace Kennedy, 2016-10-25 With an eye toward reuniting the church and the academy this book focuses on the role that scholarship can play in making good preachers into really great preachers This is the bridge between scholarly and popular writing that informs the sermon and makes it more powerful and meaningful for the people who regularly listen to sermons Preachers are challenged to raise the level of their commitment to scholarship as well as overcome any pre existing prejudices with scholarship The preacher as scholar is the perfect way for the pulpit to respond to the challenges of a secular post modern world that often wonders if smart people can even believe in God Theologies of the Gospel in Context David Schnasa Jacobsen, 2017-08-25 Many preachers and teachers of preaching talk about the gospel few name it Theologies of the Gospel in Context assembles a gifted group of homileticians who think that preachers need to be able to articulate the gospel not in general but in a certain time and place in context They consider what gospel sounds like for people under oppression in capitalist economies in neocolonial contexts for survivors of trauma and for disestablished mainline churches marred by racism Preachers will appreciate these preacher scholars desire to articulate the gospel with clarity especially since the term is so often left unexplained Homileticians will see a new genre of doing their work as teachers and researchers in preaching a vision that helps preaching see itself not just as an adjunct to exegesis or communication but a place of doing theology In these pages homiletics is more than technique it is a truly theological discipline **O Woman, Great is Your Faith!**

Douglas Sean O'Donnell, 2021-08-26 The concept of faith holds a central position in New Testament and early Christian thought yet this concept has not received the careful attention it deserves in the Synoptic Gospels The present study offers a comprehensive analysis of faith as a key motif in the Gospel of Matthew where it plays a major role in communicating this Gospel s vision for how readers should respond to the person and message of Jesus The argument propounded is that Matthew s unique narrative portrayal of the Canaanite woman s faith 15 21 28 is used for pedagogical purposes namely that by comparing and contrasting her great faith with those characters expressing no faith and little faith Matthew uses Jesus s quantitative terms to teach on the nature of true faith She embodies Matthew s theological vision of faith Even though she is a gentile outsider enemy she comprehends the universal scope and abundant blessings of Jesus s mission Moreover she acknowledges Jesus s messianic identity correctly perceiving him to be both David s royal heir and David s Lord Finally based on who she perceives Jesus to be and the purpose of his mission she demonstrates faith as trust manifested in action

*Catholic, Lutheran, Protestant* Jackson, 2010-10 CLP uses extensive research and quotations from the sources to show similarities and differences among three major Christian confessions Roman Catholicism Lutheranism and Protestantism CLP was written for Lutheran Catholic couples but has also been used for adult Bible study and confirmation classes CLP is not polemical and seeks to create understanding among the three main Christian confessions of faith The author is a Lutheran pastor with a PhD in theology from Notre Dame and a master s degree in Biblical studies from Yale University He has attended lectures and conferences where many of the leading Protestants have spoken including Billy Graham Pat Robertson

and D James Kennedy     *Authority Vested* Mary Todd, 2000 Like other major Protestant denominations in the United States the 2.6 million member Luther Church Missouri Synod LCMS founded in 1847 has struggled with issues of relevance and identity in society at large In this book Mary Todd chronicles the history of this struggle for identity in the LCMS critically examining the central often contentious issue of authority in relation to Scripture ministry and the role of women in the church In recounting the history of the denomination Todd uses the ministry of women as a case study to show how the LCMS has continually redefined its concept of authority in order to maintain its own historic identity Based on oral histories and solid archival research *Authority Vested* not only explores the internal life of a significant denomination but also offers critical insights for other churches seeking to maintain their Christian distinctives in religiously pluralistic America
