The Conquest Of The Incas:

Conquest of the Incas John Hemming, 2004 A superb work of narrative history Antonia Fraser On 25 September 1513 a force of weary Spanish explorers cut through the forests of Panama and were confronted with an ocean the Mar del Sur or the Pacific Ocean Six years later the Spaniards had established the town of Panama as a base from which to explore and exploit this unknown sea It was the threshold of a vast expansion From the first small band of Spanish adventurers to enter the mighty Inca empire to the execution of the last Inca forty years later The Conquest of the Incas is a story of bloodshed infamy rebellion and extermination told as convincingly as if it happened yesterday It is a delight to praise a book of this quality which combines careful scholarship with sparkling narrative skill Philip Magnus Sunday Times A superbly vivid history The Times *The Last Conquistador* Stuart Stirling, 1999-10-21 The Inca civilization of Peru was one of the gratest of the ancient civilizations of the Americas Famous for their massive temples and fortresses built from huge blocks of stone and decorated with sheets of pure gold the Incas also developed a system of government capable of holding a vast area of territory together and an extensive system of roads connecting administrative centres which acted as a means of colonization Their religion of human sacrifice worshipping Inti the Sun God was forcibly imposed throughout the empire The population in 1500 numbered between six and seven million but in the 1530s the Spanish led by conquistador Pizarro arrived in Peru In their search for gold they devastated the Inca culture destroying its treasures killing its leaders and bringing to an end the infrastructure of its empire By the 1570s native American control in Peru had been completely lost and the civilization was no more With Pizarro came Mansio Serra de Leguizamon who became the last of the Spanish conquistadors to die This book tells his story After crossing the Atlantic when still in his teens he played a central part in the conquest of the Incas survived imprisonment and torture took an Inca princess as his lover abandoned his wife for the gaming tables of Lima and spent the rest of his life in Peru He died at the age of 78 leaving a famous apology for the conquest in his will This book takes this document as its starting point weaving a tale of the vicious subjugation of the Inca civilization **Francisco Pizarro and the Conquest of the Inca** Shane Mountjoy, William H.
