**The Constitutional Documents of the Puritan Revolution, 1625-1660** Samuel Rawson Gardiner, 1906      **The Constitutional Documents of the Puritan Revolution** Samuel Rawson Gardiner, 2020 In this volume are reprinted for convenient reference more than ninety documents which are intended to serve either as a basis for the study of the constitutional history of an important period or as a companion to the political history of the time With the exception of four mentioned in the preface they are taken from books that are beyond the reach of most students unless they have access to large and well equipped libraries The whole is prefaced by a concise account of the period so that we have at hand what might be compared to the finder on a telescope Among the papers are the following of which we have often heard and which we can here examine that they may throw light upon our understanding of the history of the period The Declaration of Sports the Scottish National Covenant the Root and Branch Petition the Solemn League and Covenant the Self denying Ordinance

**The Constitutional Documents of the Puritan Revolution** Samuel Rawson Gardiner, 2015-07-10 Excerpt from The Constitutional Documents of the Puritan Revolution 1625 1660 The documents in this volume are intended to serve either as a basis for the study of the Constitutional History of an important period or as a companion to the Political History of the time By far the greater number of them are printed in books which though commonly to be found in large libraries are on account of their size and expense not readily accessible to students in general The MS of the Constitutional Bill of the first Protectorate Parliament in the handwriting of John Browne Clerk of the Parliaments is preserved at Stanford Hall in the possession of Lord Braye with whoso kind permission the copy used in this volume has been taken It is possible that a great part of the document might have been recovered from the entries of clauses and amendments in the Journals of the House of Commons but as far as I know this is the only complete copy in existence The documents in Part I of the present edition have been added at the suggestion of Professor Prothero who very generously placed at my disposal the copies he had made with the intention of adding them to his own Statutes and other Constitutional Documents illustrative of the reigns of Elizabeth and James I Clarendon Press 1894 Though the Navigation Act of the Commonwealth has no claim to a place amongst Constitutional Documents it is of sufficient importance to be printed in the Appendix About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a
