Sky Knife Marella Sands, 2015-01-06 Sky Knife is a young man cursed with an unlucky name a name his mother saw in a vision and pledged that her son would bear to honor whatever destiny the gods had decreed He hasn't the luck to take one of the usual paths charted for his people farmer soldier merchant all these roads are closed to him The only hope for him lies in service at the King's Temple where he hopes the gods will make clear his purpose in the world But as a novice priest he has little hope of fulfilling his destiny That is until a human sacrifice goes horribly wrong priests begin to die and the skies fill with dangerous portents and visions Magic of all sorts seems to cling to Sky Knife like a shroud but if he is daring and lucky enough he may just find out the answer and in doing so win a place among his people Sky Knife is a compelling and evocative portrait of ancient Mayan culture At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Answers to Questions Set at Examinations** Great Britain.
