The Expanding Prison David Cayley, 1998 The Expanding Prison is a provocative cogent argument for prison reform David Cayley argues that our overpopulated prisons are more reflective of a society that is becoming increasingly polarized than of an actual surge in crime This book considers proven alternatives to imprisonment that emphasize settlement oriented techniques over punishment and move us towards a vision of justice as peace making rather than one of vengeance

The Criminal's Handbook: A Practical Guide to Surviving Arrest and Incarceration in Canada C. W. Michael, 2012

Behind the Walls Michael Weinrath, 2016-11-01 In this system you can't trust anybody Like even on the streets I've never trusted my own brother But now in Ni Miikana I'm starting to get that trust back You just gotta be careful what you say in here and you'll be all right Despite falling crime rates more rights for inmates and better training for correctional officers Canada's prison population is on the rise and outbreaks of violence continue to grab headlines Applying Erving Goffman's frame theory and drawing on interviews with inmates and correctional officers in federal and provincial institutions Michael Weinrath assesses whether improvements over the past twenty five years have truly led to better corrections Behind the Walls offers an unprecedented look at life in contemporary prisons Inmates and staff describe their transition to prison life and corrections work and they explain how they frame or understand their roles and how they relate to others They provide commentaries on key developments and problems including the experiences of female correctional officers in male prisons boundary violations by correctional officers the introduction of behavioural programs and the rise of prison gangs Weinrath's balanced assessment reveals that although prisons have seen improvements they continue to be plagued by problems that prevent inmates from forging positive relationships among themselves and with correctional officers

An Ideal Prison? Kelly Hannah-Moffat, Margaret Shaw, 2021-01-10T00:00:00Z Ten years after the publication of *Creating Choices* a remarkable report on women's imprisonment in Canada this book sets out to reflect on attempts to reform prison In a series of critical essays the contributors stimulate reflection and discussion They explore the effects of punishment and penalty on women's lives the impact of feminist reforms on the lives of women in prison and the systemic barriers which limit change in the context of both provincial and federal prisons Each of the authors has a personal and sometimes intimate knowledge of the recent history of women's prisons in Canada Taking *Creating Choices* as a starting point these essays question the role of prisons in our society the importance of taking account of gender and its intersection with race and class and the problems of
