## **Sleepyhead Tales:**

The Sleepyhead's Bedside Companion Sean Coughlan, 2010-01-26 This is a quirky amusing information packed book for all lovers of sleep It s a celebration of nature s greatest free gift the perfect companion for the bedside table It s the book to curl up with before falling asleep It looks at the history culture folklore language and science of sleep Did you know that the siesta was once a British tradition Why do we say sleep like a top Does counting sheep work What are the very best sleeps Who invented pyjamas If dogs sleep so much why are they always yawning What are the best films about sleep Do today s children have less sleep than Edwardian children Does booze help or hinder sleep Not only is sleep a great natural pleasure it s also essential to good health The book examines how a lack of sleep is increasingly seen as a health risk Sleep is also the place of dreams and nightmares Why are so many dreams the same and what are the archetypal recurring dreams What is the origin of the word nightmare And what do Bugs Bunny the surrealists and Freud have to do with dreaming Sleep is there to be enjoyed It s not worth getting into bed for anything else      **Andiron Tales** John Kendrick Bangs, 2015-10-30 Tom and the Andirons It was perfectly natural in one respect anyhow There was really no reason in the world why Tom should not lie upon the great bear skin rug in front of the library fire those cold winter nights if he wanted to nor need anyone be surprised that he should want to It was indeed a most delightful place to lie in The bear skin was soft and in every way comfortable and comforting The fireplace itself was one of those huge hospitable affairs that might pass in some apartment houses in our narrow cooped up city streets for a butler s pantry or small reception room in fact in the summer time Tom used to sit in the fireplace and pretend he was in his office transacting business with such of his sister s dolls as could be induced to visit him there giving orders to imaginary clerks and bookkeepers and keeping an equally fanciful office boy continually on the run And then apart from the rug and the fireplace it was a beautiful room in which they were Tom s father was very fond of books and although he was a great many years older than Tom he had not forgotten how to enjoy the very same kind of books that Tom liked He was not ashamed to have one little niche of his library filled with the stories which had delighted him in his boyhood days and which still continued to please him and of course this lent an additional charm to the library in Tom s eyes It held his heroes and on some of those drowsy nights when the only sounds to break the stillness of the room were the scratching of his father s pen the soft humming of some little tune by his mother sitting and sewing by the evening lamp and the fierce crackling of the burning logs Tom could almost see these heroes stepping down from the shelves and like so many phantoms flitting in and about the room In fact upon one occasion Tom is convinced he did see these very people having a dance upon the great tiled hearth but of that you shall hear later      Andiron Tales John Kendrick Bangs, 1906 An adventure of a boy with a lively imagination who talks to his fireplace John Kendrick Bangs 1862 1922 has earned comparison with Mark Twain and L Frank Baum for his humorous fantasies including A Houseboat on the Styx and these wildly adventurous Andiron Tales Featuring talking andirons bellows and fire pokers and a voyage to the crescent Moon      **Andiron Tales** John

Bangs,2019-05-22     [The Dark Side of Love](#) Jane Goldberg,2017-07-12 Many mothers have disturbing fantasies of killing their children Husbands imagine with guilt cheating on their wives Parents stand on the brink of hitting their teenage children or may actually do so while the teens fabricate elaborate strategies of revenge Hurt pain uncontrollable rage and other forms of abuse also make up the dark side of love This landmark book has a bold thesis The denied dark side of love that can show us love s true nature By acknowledging our negative feelings we can come into the full spectrum of emotion and hear the message of our darker feelings without acting them out Through this we can increase our capacity for love To explain her perspective Jane Goldberg traces the development of love and hate from infancy She debunks simplistic myths about mother love and portrays the mother child bond in all its facets She explores the hidden recesses of family love and romantic love and shows how the acceptance of constructive expressions of anger jealousy and competition can enhance intimacy Drawing on case histories from her psychoanalytic practice as well as mythic stories Goldberg offers insights into the troubling but universal nature of the dark side of love In a highly accessible style she explores how to develop a psychological immune system to protect against the potentially destructive elements in relationships and allow for a constructive expression of love s dark side Her debate provoking book should be read by psychoanalysts and psychotherapists individuals who have suffered from the pains and hurts of love and indeed by those who are interested in human motivation and behavior
