Permanent Subcommittee on Investigations, 1982 *National Union Catalog*, 1973 Includes entries for maps and atlases **Drug Trafficking and International Security** Paul Rexton Kan, 2016-07-18 Global drug trafficking intersects with a vast array of international security issues ranging from war and terrorism to migration and state stability More than just another item on the international security agenda drug trafficking in fact exacerbates threats to national and international security In this light the book argues that global drug trafficking should not be treated as one international security issue among many Rather due to the unique nature of the trade illegal drugs have made key threats to national and international security more complex durable and acute Drug trafficking therefore makes traditional understandings of international security inadequate Each chapter examines how drug trafficking affects a particular security issue such as rogue nations weak and failing states protracted intrastate conflicts terrorism transnational crime public health and cyber security While some texts see drug trafficking as an international threat in itself others place it under the topic of transnational organized crime arguing that the threats emanate from criminal groups This book on the other hand provides a thorough understanding of how a vast array of threats to international security are exacerbated by drug trafficking **Drug Diplomacy in the Twentieth Century**

William B. McAllister, 2002-03-11 Drug Diplomacy is the first comprehensive historical account of the evolution of the global drugs control regime The book analyzes how the rules and regulations that encompass the drug question came to be framed By examining the international historical aspects of the issue the author addresses the many questions surrounding this global problem Including coverage of substances from heroin and cocaine to morphine stimulants hallucinogens and alcohol

Drug Diplomacy addresses the historical development of drug laws drug control institutions and attitudes about drugs international control negotiations and the relationship between the drug question and issues such as trade policy national security concerns the Cold War and medical considerations the reasons why the goal to eliminate drug abuse has been so hard to accomplish
