John Gregory Bourke, 1884      Snake Dancer Vicki Blair, 2019-03-23 At first glance Leslie Les Lewis looks like any other seventeen year old high school senior in Kentucky but she is not she is different Part of the difference stems from her holiness upbringing and the twenty plus venomous snakes living in her basement however her religion and the snakes are not what differentiate her the most That would be her secret sin Four years ago something happened to Les that changed her from being an outgoing carefree dress wearing thirteen year old to being the guarded mature jeans wearing tomboy she is today Tormented day and night by this secret she lives in fear of her sin being exposed So far she has been successful in keeping everything under wraps until she meets and falls for the new good looking young gym teacher Coach Zuzeca Z Coach Z is a member of the Lakota Sioux Indian tribe and has his own secrets When Les and Z get together in this forbidden romance their cultures religions and secrets collide The outcome is a slithering mess      **Dancing Gods** Erna Fergusson, 1988-04-01

Ritual Dances Ethan Parker, AI, 2025-02-26 Ritual Dances explores the captivating intersection of dance and spirituality across cultures highlighting its role in shaping cultural identity and preserving history The book reveals how these dances serve as powerful communication tools connecting communities to the sacred realm Did you know that many ritual dances are not just performances but integral components of spiritual expression reinforcing collective memory and belief systems The book draws upon historical records anthropological studies and religious texts to provide a comprehensive view tracing traditions from indigenous cultures to organized religions The book unfolds by first establishing a theoretical framework for analyzing ritual and dance It then investigates specific dance traditions examining their symbolic language and movement

vocabulary Ultimately Ritual Dances considers the contemporary relevance of these practices exploring their role in modern spiritual practices and cultural revitalization movements This exploration offers a unique lens for understanding non verbal communication and its influence on societal norms making it valuable for students scholars and anyone interested in spirituality and the performing arts

**Haunting Bollywood** Meheli Sen, 2017-03-01 Haunting Bollywood is a pioneering interdisciplinary inquiry into the supernatural in Hindi cinema that draws from literary criticism postcolonial studies queer theory history and cultural studies Hindi commercial cinema has been invested in the supernatural since its earliest days but only a small segment of these films have been adequately explored in scholarly work this book addresses this gap by focusing on some of Hindi cinema's least explored genres From Gothic ghost films of the 1950s to snake films of the 1970s and 1980s to today's globally influenced zombie and vampire films Meheli Sen delves into what the supernatural is and the varied modalities through which it raises questions of film form history modernity and gender in South Asian public cultures Arguing that the supernatural is dispersed among multiple genres and constantly in conversation with global cinematic forms she demonstrates that it is an especially malleable impulse that routinely pushes Hindi film into new formal and stylistic territories Sen also argues that gender is a particularly accommodating stage on which the supernatural rehearses its most basic compulsions thus the interface between gender and genre provides an exceptionally

productive lens into Hindi cinema's negotiation of the modern and the global Haunting Bollywood reveals that the supernatural's unruly energies continually resist containment even as they partake of and sometimes subvert Hindi cinema's most enduring pleasures from songs and stars to myth and melodrama     The American Indian Craft Book Marz Minor, 1978-01-01 Historical information and descriptions of Indian crafts of different tribes
