Communion and Grace Breaking Through the Barriers **Using Illustrations to Preach with Power (Revised Edition)** Bryan Chapell,2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermonic tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they re important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people s hearts long after your sermon is done

*Concern for Church Polity and Discipline* Laura Schmidt Roberts,2022-03-30 CONCERN A Pamphlet Series for Questions of Christian Renewal was born in the 1950s of shared concerns over a gap between an Anabaptist vision and contemporary North American Mennonite reality The initial group views the increasingly hierarchical denominational structure the emergence of centralized professionalized pastoral ministry and the resultant changes in polity and practice as fundamentally incompatible with a Believers Church ecclesiology Essays here present that critique and discussion of the reconfiguration of pastoral and communal authority as well as the assertion that reclamation of a disciplined priesthood of all

believers is the path of Christian renewal Today the question of what institutional forms best structure the leadership authority and shared life of congregations persists marked by particular concern to attend to the exercise of power within actual communities of faith     *Catalog of Copyright Entries.
