David Douglas, The book is a daily devotion for those who wish to change the relationship they have with their life. It was originally designed for use within an addiction recovery facility. We found that many others were improving the quality of their life through these God-inspired devotions. They are simply written and easy to understand, therefore easily applied to your life. If we allow God into our lives, He will help us with our Relationships. Living in God's will for our lives gives us the Integrity to walk through life with our head held high. And last but not least, we need to find the Truth. We must put in the work to find the Truth and stop accepting what the world tells us. We can use this G R I T FILTER to help us on the journey of changing the relationship we have with our lives. By asking four simple questions, we can avoid many of the potholes of life. Those four questions are: Have I invited God into my decision process? How will my decision affect my Relationships? What will my decision do to my Integrity? Have I done the research and found the Truth before I react? Living a life with G R I T will give you joy as you Transform the relationship you have with your life. If you believe you have a terrible life, it will be terrible. If you work to change your outlook and become grateful for what you have, every day becomes a blessing. It is my sincere hope that these devotional messages will be a blessing to you as you start to live with G R I T. GETCHASOME David Douglas **God Allows U-turns**

Allison Gappa Bottke, Cheryll Hutchings, Ellen Regan, 2001. This encouraging book is filled with true stories of people from all walks of life who have made U-turns in their lives. These stories illustrate God's immutable ability to renew and rebuild the most broken of lives. *Hidden Treasure* Joycelyn Dankwa, 2020-06-26. This book *Hidden Treasure* is to reveal to you the power in hidden treasure. It is to help you tap into the hidden treasures around you. To help you bring out your hidden talents. One of the banks in Canada is called Scotia Bank. It has a slogan that says you are richer than you think. *Hidden treasure* is written to help you discover your hidden treasure, sift the myth from the reality, the wrong from the right and the lie from the truth. *"The Invisible Kingdom"* Jeanie Niemoller, 2014-10-31. This book is a study of contrasts between visible things of Earth and invisible things of the kingdom of God. The Scriptures tell us: Do not love the world or anything in the world. If anyone loves the world, love for the Father is not in them. For everything in the world—the lust of the flesh, the lust of the eyes and the pride of life—comes not from the Father but from the world. The world and its desires pass away, but whoever does the will of God lives forever. I John 2:15-17 NIV. The Bible also tells us: Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will. Romans 12:2 NIV. Why not make a decision to set your minds on things above, not on earthly things? Colossians 3:2 NIV. As you study God's Word, may you see more of those invisible eternal things. But remember these words of Jesus: Very truly I tell you, no one can see the kingdom of God unless they are born again. John 3:3 NIV. Power of Positive

ourselves or we cannot see when He will fulfill His promise to us so we move ahead of Him thinking we are helping All of a sudden we find ourselves in the middle of disasters confusion and bewilderment It is at those very times when we let go that He then will reach down and pull us up He can and will connect us back to Him when we let go of our plans and allow His plans to shine through you It is our willingness to surrender ourselves for His purposes This is a statement I read that sums it all up The Lord has a great work to be done and He will bequeath the most in the future life to those who do the most faithful willing service in the present life The Lord chooses His own agents and each day under different circumstances He gives them a trial in His plan of operation In each truehearted endeavor to work out His plan He chooses His agents not because they are perfect but because through a connection with Him they may gain perfection BLJ 277 2

All it takes is a U-turn to inner self Mahadi Moloi, 2017-12-29 On our journey to our God ordained destiny we often get tempted to drift away from our designated paths and then take highways and byways that we were not supposed to take We then end up lost hurt disappointed moving around in circles and getting further away from our destiny When you feel lost and far away from your destiny or Creator check your ways and the paths you have followed No matter how far you have travelled make a U turn your Creator is waiting expectantly with open arms to welcome you back He will never question where you come from He will never judge what you have done Instead He will offer you a resting place for your troubled and broken soul All that He wants is for you to say God here are my broken pieces Please help me to put them together again for You are the One Who created me and therefore know which piece belongs where and You also know where other pieces have fallen No matter where you are No matter what happened to you No matter when it happened No matter how far you have travelled Come and let us return to the Lord for He has torn that which is evil in and around us so that He may heal us He has stricken the devil that leads us astray so that He may bind us up Hosea 6 1

Applying Old Stories to New Lives Tina Durham, 2011-03-25 This book is based on my prayerful meditations on what the old stories must mean to us in the everyday present world In our time we have historians and scientist all running around attempting to demonstrate whether the stories are true or if they could even be accurate The religious leaders always state that we use our faith with these stories in these times of faith questioning and proving not be a doubting Thomas in these times We do not have to see the scars or the proof we believe because of the unseen The intent of this book is not to change the real meanings in the Bible but to make us think about the simple parts Relying on the old trait of finding meaning

and symbolism in literature I have examined these stories As you read the stories in scripture and the version of interpretation that I have found ask yourself what is God saying to you Scripture is the love letter from a friend God He speaks to each of us differently and with different directions these may not trigger the same thoughts in your understanding but if they bring cause for you to examine the word then I have been successful As you begin to read this book be prepared to ask yourself questions Be prepared to listen to what God is telling you So often we read a story and that is the story we never revisit it But the Bible is not like a regular book it can be read over and over each time revealing something more intriguing than the last The layout of this book is to first consider who we are what our role is in this vast community of people Then I move through a section imaging how we interact and learn to live in Gods love and grace Finally I discuss some of our daily activities such as work school home ownership and voting
