So Many Crossroads:

The Evangelical Church at the Crossroads of Secular Culture and Change Dr. Arnold O. Thompson, 2025-03-28

This book lays out in clear biblical and specific ways how the kingdom of God can effectively intersect with the kingdom of this world. The author first laid out the dark forces in the church's engagement in the so-called cultural wars like storm force winds blowing at the doors of the church to influence its message, change its historical methods, corrupt its mission. It identifies the crises in all three areas. The author contends that by and large the so-called cultural wars waged by sections of the evangelical church have been lost in the real mission of the Christian church. The book does not linger long here but rigorously lays out the biblical mandate and methods for the church to regain its purpose and mission of Christ in the world. This is the goal of this book. From the start the author understood this was an extensive undertaking to stand like John on the island of Patmos looking at visions of the modern church and to write a manifesto as if to say for God I see you I see what a large and influential segment of the church is doing which I contend is hurting the cause of Christ and His Gospel today. But also to say that I see what is needed to again influence the culture to turn to Christ. To give as did John a clear voice to defy the confusions and uncertainties and communicate effectively the Gospel of Christ to a lost world. This goal would seem impossible to see a revival of the Gospel in secular culture like the great revivals of the past. Except the ancient prophets said as did Peter in the revival of Pentecost. In the last days God says I will pour out my Spirit on all people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams. Acts 2:17. This book is a dream path to the reality of a revival of the Gospel in our times.

Farm Communities at the Crossroads University of Regina, Canadian Plains Research Center, 2003. Congressional Record United States. Congress,1994 **The Ekklesia** Anthony Daley,2012-07-20 Today there is a lot of emphasis on building within Christianity We speak of building the kingdom and building the church neither of which are our responsibility The Father has given us the kingdom and Christ said He would build the church In the New Testament the word translated as church is Ekklesia In the days of Jesus Ekklesia was not used to define a religious gathering for expressing worship and learning about a deity The Ekklesia was a governing body in a region that assembled for the purpose of legislating the region initiating laws and declaring war It was an assembly of diverse citizenry who collaborated for the good of the region When Jesus said I will build my Ekklesia He had something different in mind than what we call the church today Join us in this book as we seek to find the definition of God s intention and allow the real church to stand up
