Does Preaching Have a Future? Dr. Dwight S. Riddick Sr., DR. FRANK A. THOMAS, 2015-08-07 From preaching sermons as a child in the backyard to delivering the upcoming Presidents address for the 101st annual gathering of the prestigious Hampton University Ministers Conference Dr Dwight Riddick has become transparent in his book Does Preaching Have a Future As you open the pages of this book you will find insightful conversational thoughts around the future of preaching He writes This book is intended to ignite conversation about what preaching should look like going forward if this discourse is not already burning in the soul This veteran seasoned pastor and teacher of the gospel has relied completely upon Scripture in his broad range of topics when it comes to the future of preaching Preach the word be instant in season out of season is a tried and proven counsel for preachers stretching all generations Ezekiel was faced with the question can these bones live Preachers today are asked if their preaching can bring about positive transformation in the lives of hopeless people and hopeless cases during changing

times Dr Riddick supports this conversational topic by reminding his fellow homileticians preachers that those called and anointed by God are uniquely qualified to explain the Scripture
