Soccer Handbook For Players Coaches And Parents:

The Soccer Handbook for Players, Coaches and Parents Albert M. Luongo,2012-10-16 Soccer long the world s most played sport is now undergoing a phenomenal popularity spurt among youth in North America This book the complete amateur soccer handbook for all ages is indispensable for players coaches managers league officials referees and parents Rules of the game conditioning methods basic and advanced skills positional play team formations defensive techniques and much more are covered The Laws of the Game a publication of the Federation Internationale de Football Associations publication is reprinted in full The modern short ball soccer concept is explained Ball control skills are stressed for both developing and advanced players along with self discipline and a strong defense With this handbook championship teams and successful players can be built on these principles In addition to technical skills the important principles of leadership self control sportsmanship team play fairness and self confidence are also promoted **Soccer Practice** Victor Wise,2023-07-20

This book was written to change the way players think about and play the game of soccer I struggled for years with sub average performances as a defender defensive center midfielder and outside midfielder I was often placed in these positions because I could not score Due to my immaturity I did not like others correcting my form I knew it needed considerable improvement so I would take it personally when someone gave me feedback I realized that this was limiting my ability to become the player I wanted to be Therefore I sought out the knowledge that allowed me to score multiple goals a game defend correctly pass with excellent form etc As a result of this success I could not help but share my understanding of the game to other players who are looking to improve parents who want to boost their child s confidence on the field and coaches who want to be viewed as outstanding by all of their players and their players parents Though I train players individually and in small groups I know that writing the information down in a book will allow it to reach more eyes build more confidence and make a significant impact on the world This book dives deep into the important topics of soccer Though the correct form and tactics are extremely helpful in ensuring the ball ends up in the opponent s net you also need a strong mindset to improve on any weaknesses solidify your strengths and implement many tips and tricks to become the person on your team that consistently scores This book will help you become the most admired player on your team Changing one or two things may help you become better but once you start implementing most or even all the techniques described in this book you will see a significant improvement in your performance on the field However remember that the knowledge in this book is only helpful when applied You must apply it to score 10X more goals each season which will lead to several more wins **An**
