theology and practical theology *Scriptural Perspicuity in the Early English Reformation in Historical Theology* Richard M. Edwards, 2009 A consistent indigenous English doctrine of scriptural perspicuity correlates with a commitment to the availability of the vernacular scriptures in English and supports the English roots of the Early English Reformation EER Although political events and figures dominate the EER its religious component springing from John Wyclif and streaming throughout the tradition must be recognized more widely This book critically surveys the doctrine of scriptural perspicuity from the beginning of the Church in the first century noted as early as John Chrysostom through the seventeenth century examining its impact on the current debates concerning competing hermeneutical systems reader response hermeneutics and the debates in conservative American Presbyterianism and Reformed theology on subscription to the Westminster Confession of Faith the length of creation days and other issues Ready to Share One Bread Nick Harding, 2015-02-19 Ready to Share One Bread is a one stop guide for churches considering the admission of children to Holy Communion The Church of England has allowed the admission of baptised children to Holy Communion before confirmation since 1997 but currently only about 20% of parishes currently do so There is therefore much scope for many more churches to explore the issue Nick Harding and Sandra Millar provide you with all a church would need to consider and help along the way to making it happen Ready to Share One Bread includes resources for exploring the issue with a whole congregation case studies from real life churches a preparation course an admission liturgy and advice on including and involving children in Eucharistic worship The book also includes theological reflection on children and the Eucharist from Michael Perham and considers the impact of receiving Holy Communion on children s discipleship *PRAYER: PREMISED ON WORSHIP* David A Swincer, 2019-10-25 Unless God is worshipped for His Own sake we are reduced to idolatry Segler in his book *Christian Worship* says God must be worshipped for His Own glory or it is idolatry however relatively worthy its motivation Segler 1967 12 emphasis added Again we emphasise the pivotal focus on God alone He alone is worthy of worship The English word worship is derived from the Old English word *weorthscipe* worth and ship *worthship* meaning worship one worthy of reverence and honour It is honour shown to an object Worship Wikipedia When we worship we declare God s worth The 24 elders proclaimed You are worthy our LORD and God to receive glory and honour and power for you created all things and by your will they were created and have their being Revelation 4 11 emphasis added The angels sang Worthy is the Lamb who was slain to receive power and wealth and wisdom and strength and honour and glory and praise The four living creatures said Amen and the elders fell down and worshipped Revelation 5 12 14 emphases added You have taken a 4 wheel drive trip into the outback You couldn t be more remote The horizon is a blur in the far distance There is no town for miles You are out of range for any mobile phone coverage There is no passing traffic And the old jalopy has packed it in What do you do For too many people it is an occasion of venting their spleen cursing loud and long blaming anyone and everyone etc and kicking the wheel The answer is very simple for the Christian You worship And don t argue that there is no pipe organ or choir or

anything that is usually related to worship Now it is time to truly worship and it is all and only to do with God You might start with a devotional statement a reminder of just Who God is Dear Lord Almighty creator ruler and sustainer of the universe You are from everlasting to everlasting You know all things including our predicament You are everywhere including out here in this remote place You are right here with us His immanence so we have nothing to worry about As our omniscient God You not only know of our predicament but You have known all about it from the creation of the world That being the case it is no surprise to You what has happened today So we need not to be surprised And we are assured that You have it all under control Our lives are in Your merciful and loving hands With Your omnipotence there will be no difficulty in providing a solution however seemingly difficult it might appear This is true worship True worship is an appreciation of God for His own sake Without regard to the circumstances And without regard for the benefits that we might derive from Him or even desperately hope to derive from Him There is no bargaining No demanding No handwringing No guidelines for your expectations No angry retorts like If God knew this from the creation of the world why didn t He let us know If He is a sovereign God why did He allow this to happen here True worship is an appreciation of God for His own sake FULL STOP Now what is the sovereign God going to do Be assured that He only does all things well perfectly He is the judge of all the earth and He will only do what is right Can you trust Him for that Can you expect more than that Is that OK Can you trust God to be God overwhelming in mercy and care for His children Do you think that He will be able to handle this without your advice and help If He can t then there is no hope for any of us So sit down and relax It doesn t depend on you Can we say with relaxed surrender But I trust in you LORD I say You are my God My times are in your hands Psalm 31 14 15 emphases added

The Deity and Miracles of Christ Rev. Joseph Sill, 2018-07-26 This book is intended to show Jesus s deity through the signs and dialogue in the book of John John has recorded eight signs or miracles in his Gospel He begins with the marriage at Cana and progresses through his Gospel to the resurrection the greatest of all the signs These miracles in the book of John and all the Bible for that matter are not arbitrary but were chosen by the Holy Spirit to show that Jesus is who he says he is John himself tells us his purpose in writing his Gospel in John 20 21 But these are written that ye might believe that Jesus is the Christ the Son of God and that believing ye might have life through his name This book is intended for you to look at the miracle and sayings of Jesus in John and show how they point to Jesus being the promised Messiah the Son of God deity incarnate John showed who Jesus was when he said I am the bread of life and proceeded to feed the five thousand with the loaves and fish John records that he said I am the light of the world and then Jesus proceeded to heal a man born blind from birth He told Mary at the death of Lazarus I am the resurrection and the life and proceeded to raise the dead Finally he told his disciples I

lay my life down and I will take it up again Then he went to the cross died and was buried to rise again on the third day And just in case there is any doubt as to his resurrection he appears to Thomas in the upper room and to the disciples by the sea of Tiberius It is my prayer that this book may prove who Jesus is to the minds of all who read it That they may come to believe that Jesus is who he said he is the Messiah the Son of God who died for our sins and is raised to make it just as if we never sinned Romans 4:25

Dr. Enos Lwamba,2012-12-21 In Safari based Theology Dr Enos Lwamba has developed an approach to theology and mission based on his proposed safari motif for the development of theology and mission Based on his Ph D dissertation The Safari Motif in the Development of Theology in Africa Dr Lwamba argues that God has used a series of divine redemptive safaris in the Bible to reveal Himself progressively to people The author develops his proposed motif around a tri dimensional conception of reality and time and explores a threefold aspect of the safari mwanzo sasa and mwisho which provide keys to the African mindset He explores the various meanings and uses of the safari idea from both a biblical and theological perspective In addition to the literal safaris journey is an analogy of the church and believers are on a divine safari

individually and collectively The safari model highlights the absolute necessity of the biblical message and the contextual situation to help Christians live effective and fruitful lives in society now and in future Inspired by both John Mbitis The African Concept of Time and Paul Hiebert's The Flaw of the Excluded Middle the author utilizes biblical theological historical and contextual sources to make his point In the philosophical aspect of the safari the author develops his notion of an African conception of time modeled on the cultural safari idea which he relates to development of theology and mission He refutes the western influenced or commercially based notion that safari refers to a game hunting or tourist expedition to Africa Dr Lwamba promotes the argument that the philosophical framework and methodology drawn from the safari approach provides a more effective way of doing theology and mission in Africa and other contextual situations He also draws parallels to the safari concept from such sources as Augustine's City of God John Bunyan's The Pilgrim's Progress and others in a refreshing and original style that the reader will find engaging The motif provides interpretational and practical application tools as it harmonizes the unity of the biblical message Its practical appeal makes Safari Based Theology a must read for Christians and others interested in their daily journey of faith The author contends that just as the idea of logos described the mindset conception of divine truth and aspirations of the Greek mind the concept of safari does the same for the African This book is highly recommended for pastors missionaries and teachers as well as students of Bible and theology culture and missions and other related disciplines
