## **The Consul:**

**The Consul at Rome** Francisco Pina Polo, 2011-02-24 In modern times there have been studies of the Roman Republican institutions as a whole as well as in depth analyses of the senate the popular assemblies the tribunate of the plebs the aedileship the praetorship and the censorship However the consulship the highest magistracy of the Roman Republic has not received the same attention from scholars The purpose of this book is to analyse the tasks that consuls performed in the civil sphere during their term of office between the years 367 and 50 BC using the preserved ancient sources as its basis In short it is a study of the consuls at work both within and outside the city of Rome in such varied fields as religion diplomacy legislation jurisdiction colonisation elections and day to day politics Clearly and accessibly written it will provide an indispensable reference work for all scholars and students of the history of the Roman Republic The Consul's Daughter Samuel Griswold Goodrich, 1841 **The Consul's File** Paul Theroux, 2011-08-04 Award winning writer Paul Theroux takes us on a journey through small town Malaysia through the eyes of the exuberant Spencer Savage in his breathtaking novel *The Consul's File* Spencer Savage a young American consul is posted to Ayer Hitam a small Malaysian town in the 1970s Told to close down this remote outpost in the sweltering jungle he instead finds himself drawn to the many characters he meets among the Malays Indians Japanese Chinese and the clubbable expat Brits Through his eyes we see the rich tapestry of multi ethnic life in post colonial Malaysia from adultery to murder from ghost stories to the murky waters of diplomatic politics It is a brilliant portrait of a vanished time a lost landscape and scattered peoples A cool and witty sequence a polished and professional performance Guardian Theroux's writing is at its most adventurous in *The Consul's File* There is no book I can compare this to Mr Theroux's artistry is individual serene yet also grainy with fierce truths The Times American travel writer Paul Theroux is known for the rich descriptions of people and places that is often streaked with his distinctive sense of irony his novels and collected short stories *My Other Life* *The Collected Stories* *My Secret History* *The Lower River* *The Stranger at the Palazzo d'Oro* *A Dead Hand* *Millroy the Magician* *The Elephanta Suite* *Saint Jack* *The Family Arsenal* *The Mosquito Coast* and his works of non fiction including the iconic *The Great Railway Bazaar* are available from Penguin *The Consul's Wife* Vera Buck, 2002 INTRODUCTION These are the true life adventures and experiences of Joseph and Vera Buck who lived and worked in Cuba from 1917 through 1922 Joseph F Buck my grandfather was appointed to a Consular position in Cuba March of 1917 after having served as the U S Consul to Bremerhaven Germany for five years This story begins as his pretty young bride of three months Vera Elizabeth Buck my grandmother joins him in Antilla Cuba January of 1919 They kept an excellent journal of all their experiences while they were in Cuba and at some point Vera I am sure with Joseph's help began converting their records into an historical narrative for posterity She turned a rough unfinished draft of her work over to the University of Michigan Bentley Library sometime in the 1960s In a brilliant far sighted move my grandmother stipulated that the copyrights remain in the family in regards to everything she donated to this library I am her only grandchild and am

therefore able to bring these valuable historic accounts to light for the first time Meanwhile my grandfather Joseph F Buck had died of tuberculosis September 14th 1942 three years before I was born My mother died six months after I was born and my grandmother the author of this book passed away in 1971 without ever telling me anything about it at all The reason for this miscommunication was that I was raised 800 miles away from my grandmother and unfortunately not able to get to know her until she was in her seventies I stumbled upon the rough draft of this book purely by the Grace of God while I was doing research on Joseph F Buck my grandfather for a future book of his WWI experiences All the places dates events presidents buildings wildlife boats railroads etc have been researched and verified to the best of my ability and footnoted accordingly The tales of Nico and Giva are both based upon factual history as supported by Joseph Bucks filed reports with the State Department now on record in the National Archives College Park Maryland Our family project that was started by my grandparents eighty five years ago this being the year 2002 has now been completed This has truly been a labor of love and I will advise anyone who is contemplating doing something like this to go ahead and give it a try even though it can be pretty tough going at times To complete a family project for your loved ones who died before they were able to finish it has got to be one of the most rewarding things in life any one of us could ever hope to accomplish Acknowledgments and gratitude must also be expressed to the White Pine Village Ludington Michigan for preserving my grandparents records documents and articles for all these years that my grandparents had donated to the Mason County Historical Society and for all their kind invaluable assistance and support You will notice throughout the book that Joseph refers to Vera as Julie Why Because my grandparents were both very romantic so during their long engagement necessitated by WWI they had to make do with a whole lot of letter writing back and forth across the Atlantic Ocean They referred to each other as Romie and Julie Romeo and Juliet to help keep romance alive throughout this long ordeal My grandfather cared so deeply for my grandmother that the pet name Julie stuck even after they were married in 1918 Vera certainly didnt mind as she felt the same way about him and their house was a house of love indeed I plan on publishing a series of some of those letters at a later date along with my grandfathers experiences from WWI as they are not only romantic masterpieces but quite historically relevant as well Let us now return to a time long ago in a land that was much different than it is today We travel to The Pearl of the Antilles Cuba 1917 1922 and The Consul s Wife Chris Edwards     The Consul's Wife W. T. Tyler,2016-03-22 In The Consul s Wife W T Tyler returns once more to Africa specifically to the Congo where his protagonist Hugh Mathews a young foreign service officer must cope with his embassy s ineptitude and its shallow thinking bureaucrats even as he comes to terms with the confusion of feuding tribes and rebel factions living in the timeless and all but impenetrable wilderness surrounding the capital Featuring a huge cast of characters petty dictators CIA operatives a sorcerer who can summon lightning from the sky and set during the era of America s increasing involvement in Vietnam half a world away The Consul s Wife is also a love story of great power and resonance     **Henrietta Temple, v. 2.
