*The Communist Revolution in Asia* Robert A. Scalapino, 1965      **The communist revolution in Asia. Tactics, goals, and achievements. Ed. by R.A. Scalapino. [With contribs by J.H. Badgley, H.H. Baerwald, J.C. Donnell a.o.].** ,1965  
*World Communism, 1964-1969, a Selected Bibliography* United States. Congress. Senate. Committee on the Judiciary, 1971      **Kim Il Sung in the Khrushchev Era** Balázs Szalontai, 2005 Concentrating on the years 1953-64 this history describes how North Korea became more despotic even as other Communist countries underwent de Stalinization The author's principal new source is the Hungarian diplomatic archives which contain extensive reporting on Kim Il Sung and North Korea thoroughly informed by research on the period in the Soviet and Eastern European archives and by recently published scholarship Much of the story surrounds Kim Il Sung his Korean nationalism and eagerness for Korean autarky his efforts to balance the need for foreign aid and his hope for an independent foreign policy and what seems to be his good sense of timing in doing in internal rivals without attracting Soviet retaliation Through a series of comparisons not only with the USSR but also with Albania Romania Yugoslavia China and Vietnam the author highlights unique features of North Korean communism during the period Szalontai covers ongoing effects of Japanese colonization the experiences of diverse Korean factions during World War II and the weakness of the Communist Party in South Korea      **Area Handbook for Mongolia** Historical Evaluation and Research Organization, Trevor Nevitt Dupuy, 1970 General study on Mongolia covers historical and geographical aspects social structure family living conditions education the arts ethics political system economic structure agriculture industry work defence and the administration of justice Bibliography pp 455 to 479 diagrams maps and statistical tables      *Area Handbook for Laos* Donald P. Whitaker, 1972 General study of the Lao PDR covers historical and geographical aspects demographic aspects and social structures health education welfare religion language communication cultural factors the political system international relations the economic structure economic planning financial aspects economic resources trade transport defence the armed forces etc      **Laos, a Country Study** ,1979      **Air University Review** ,1969      Politics and Leadership in North Korea Adrian Buzo, 2017-09-08 Politics and Leadership in North Korea now fully updated in this second edition presents an accessible and comprehensive account of North Korea's political economic and foreign policies since its creation in 1945 Moving away from media representations of North Korea as dangerously erratic and dysfunctional Adrian Buzo provides a thorough analysis of Kim Il Sung's vision for the DPRK and demonstrates the consistency of the successive leaderships approach to politics economics and international affairs This second edition has been fully revised and takes into account all the important events of the last fifteen years in North Korea such as endemic food shortages the steady growth of military emphasis in both politics and ideology the acquisition and continued development of nuclear capabilities the implementation and eventual failure of South Korea's sunshine policy the growth of private enterprise and a consumer economy As such it will continue to be an essential resource for students of

North Korea East Asian Politics and International Politics      **A History of Laos** Martin Stuart-Fox, 1997-09-28 This authoritative and wide ranging 1997 history traces events in this little known country from ancient monarchy through its establishment as a French colony to independence in 1953 the People s Democratic Republic and the present one party authoritarianism The book highlights Laos complex and shifting political alliances The struggle for independence from France was followed by a struggle for unity and neutrality in the face of persistent foreign intervention as the country was drawn into the war in Vietnam Only with the end of the Cold War and the withdrawal of Vietnamese troops has Laos been able to reassert its neutral foreign policy and develop a market economy This book is an impressive political social cultural and economic history It will be essential for anyone wanting to understand Laos as it joins ASEAN faces great economic challenges and struggles to maintain its cultural identity      **Vietnam, an Annotated Bibliography** ,1968      Political Violence, Crises and Revolutions (Routledge Revivals) Ekkart Zimmermann, 2013-04-15 First published in 1983 this extraordinary study provides a comprehensive systematic evaluation of cross national theorizing and quantitative empirical evidence on four interrelated phenomena Political violence Crises Military Coups D tat Revolutions Findings from social psychological research on aggression are integrated in this outstanding study as well as results reported in social historical studies of revolution The focus of the book is always on analytical perspectives and correspondi      **Post-war Laos** Vatthana Pholsena, 2006 Three decades after the conclusion of the civil war that brought the communist Pathet Lao to power the leaders of the Lao People s Democratic Republic are still searching for a compelling and unifying national identity As detailed in Postwar Laos a rigorously researched cogently argued and pathbreaking book Laotian nationalism is caught between the rhetoric of preservation and the desire for modernity Using fine grained analysis of substantial ethnographic and archival material Vatthana Pholsena sheds light on the politics of identity the geographies of memory and the power of historical narrative in contemporary Laos Pholsena pays particular attention to the country s ethnic minorities who had been marginalized politically administratively and symbolically by the French colonial government which ruled for fifty years and by its Royal Lao successor Many members of these minorities fought for the Lao People s Liberation Army in the country s civil war 1960 1975 though and were thus exposed to the processes of modern politics The first book to examine the impact of such forces on Laos s ethnic minorities and their perception of Laotian nationalism Postwar Laos also refines established theories of nationalism Pholsena addresses a weakness common to all the tendency to deny agency to individuals who may in fact interpret their relationship to and place within the nation in a variety of ways that change according to time and circumstance Postwar Laos offers a new perspective on the history of Southeast Asia and more broadly on the formation of national identity that will be welcomed by historians political scientists sociologists ethnographers and cultural anthropologists alike      **Radical Politics in Colonial Punjab** Shalini Sharma, 2009-09-10 This book centres on the impact of the colonial state s institutions and policies towards radical politics in the Punjab pre Partition Focusing on the political

history of the organised left a considerable and growing force in South Asia the book discusses the formation and activities of radical groups in colonial Punjab      The Maoist Insurgency in Nepal Mahendra Lawoti, Anup Kumar Pahari, 2009-10-13 The book deals with the dynamics and growth of a violent 21st century communist rebellion initiated by the Communist Party of Nepal Maoist explaining the different causes factors that contributed to its growth strategies employed by the rebels and the state and the consequences of the insurgency      Area Handbook for North Korea Rinn-Sup Shinn, In-söp Sin, 1969 General study of Korea DPR covers historical and geographical aspects languages demographic aspects and social structures labour force living conditions education cultural factors tradition religion the system of government foreign policy the economic structure national level defence agriculture industry etc and includes a glossary of Korean terms Bibliography pp 413 to 451 maps and statistical tables      *BLS Report* United States.
