still don't understand it because there hasn't been enough information on what it is and what exactly lenders are looking for. And we certainly haven't known how to make it work for us rather than against us. In *The Complete Idiot's Guide to Improving Your Credit Score* author Lita Epstein clearly explains what your credit score is and how it impacts your life. Rather than putting the focus squarely on credit emergencies it provides everything readers need to know to raise their score and keep it high now and in the future.
