Strauss, Geoffrey R. Stone**

The Constitution In Crisis Times 1918 1969:

The Constitution in Crisis Times, 1918-1969 Paul L. Murphy, 1971 Assesses fifty years of constitutional development against a background of shifting national moods and public pressures The Constitution and the American Presidency Martin L. Fausold, Alan Shank, 1991-01-01 In this unusual and provocative volume historians examine the presidencies of Jefferson Jackson Lincoln Theodore Roosevelt F D R and Truman while political scientists assess the contemporary presidency and suggest a range of reforms from modest to radical including fundamental alterations to the balance of power between the presidency and the Congress Explicit and Authentic Acts David E. Kyvig, 1996 This book could not be more timely Kyvig provides a rich and comprehensive history of the politics and operation of the amending process It deserves the attention of not only historians political scientists and legal scholars but also those concerned with public affairs david M O'Brien author of Storm Center The Supreme Court in American Politics A lively challenge to traditional views William Leuchtenburg author of The Supreme Court Reborn *Reader's Guide to American History* Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history **The Revolutionary Constitution** David J. Bodenhamer, 2012-02-01 The Revolutionary Constitution examines how the Constitution has served as a dynamic and contested framework for legitimating power and advancing liberty in which our past concerns and experiences influence our present understanding Informed by the latest scholarship the book is an interpretive synthesis linking constitutional history with American political and social history **Logic and Experience** William P. LaPiana, 1994-01-20 The 19th century saw dramatic changes in the legal education system in the United States Before the Civil War lawyers learned their trade primarily through apprenticeship and self directed study By the end of the 19th century the modern legal education system which was developed primarily by Dean Christopher Langdell at Harvard was in place a bachelor's degree was required for admission to the new model law school and a law degree was promoted as the best preparation for admission to the bar William P LaPiana provides an in depth study of the intellectual history of the transformation of American legal education during this period In the process he offers a revisionist portrait of Langdell the Dean of Harvard Law School from 1870 to 1900 and the earliest proponent for the modern method of legal education as well as portraying for the first time the opposition to the changes at Harvard **Routledge Revivals: Encyclopedia of American Civil Liberties (2006)** Paul

Finkelman,2018-02-05 Originally published in 2006 the Encyclopedia of American Civil Liberties is a comprehensive 3 volume set covering a broad range of topics in the subject of American Civil Liberties The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The Encyclopedia also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book s multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students *Robert F. Kennedy in the Stream of History*

Terrence Edward Paupp,2017-09-29 This assessment of the statesmanship principles and policies of Robert F Kennedy places him in the stream of history to assess what came before his time in political life what happened during that time and what happened to his legacy after his assassination Terrence Edward Paupp evaluates the themes and issues RFK confronted responded to and for which he provided visionary solutions Paupp first chronicles the influence of Franklin D Roosevelt s legacy as a prologue to the New Frontier and Great Society During Robert F Kennedy s time in power both in his brother s administration and on his own in the US Senate he struggled with striking a balance between power and purpose In the years after John F Kennedy s assassination RFK emphasized the need to unite power and purpose national and international concerns ideals and practice Much of this has been ignored Paupp argues by what C Wright Mills called the power elite In assessing RFK s statesmanship Paupp examines his commitments to human and civil rights which linked themes and ideals within the US to those struggles taking place outside the country Robert F Kennedy brought zeal and passion to these problems by discussing the moral necessity of honouring human dignity while articulating practical solutions policies and programs to structural injustice His legacy remains a beacon of light intelligence and hope in today s world *The Evolution Controversy in America*

George E. Webb,2002-07-01 On April 30 1975 Saigon and the government of South Vietnam fell to the communist regime of North Vietnam ending for American military forces exactly twenty five year of courageous but unavailing struggle This is not the story of how America became embroiled in a conflict in a small country half way around the globe nor of why our armed forces remained there so long after the futility of our efforts became obvious to many It is the story of what went wrong there militarily and why The author is a professional soldier who experienced the Vietnam war in the field and in the highest command echelons General Palmer s insights into the key events and decisions that shaped American s military role in Vietnam are uncommonly perceptive America s most serious error he believes was committing its armed forces to a war in which neither political nor military goals were ever fully articulated by our civilian leaders Our armed forces lacking clear objectives failed to develop an appropriate strategy instead relinquishing the offensive to Hanoi Yet an achievable strategy could have been devised Palmer believes Moreover our South Vietnamese allies could have been bolstered by appropriate aid but were instead overwhelmed by the massive American military presence Compounding these errors were the flawed civilian and military chains of command The result was defeat for America and disaster for South Vietnam General Palmer presents here an insider s history of the war and an astute critique of America s military strengths

and successes as well as its weaknesses and failures *Supreme Power: Franklin Roosevelt vs. the Supreme Court* Jeff Shesol, 2011-03-14 A stunning work of history Doris Kearns Goodwin author of *No Ordinary Time* and *Team of Rivals* Beginning in 1935 the Supreme Court's conservative majority left much of FDR's agenda in ruins The pillars of the New Deal fell in short succession It was not just the New Deal but democracy itself that stood on trial In February 1937 Roosevelt struck back with an audacious plan to expand the Court to fifteen justices and to pack the new seats with liberals who shared his belief in a living Constitution **Supreme Court Review 2016** Dennis J. Hutchinson, David A. Strauss, Geoffrey R. Stone, 2017-06-22 For more than fifty years *The Supreme Court Review* has won acclaim for providing a sustained and authoritative survey of the implications of the Court's most significant decisions *The Supreme Court Review* is an in depth annual critique of the Supreme Court and its work keeping up on the forefront of the origins reforms and interpretations of American law It is written by and for legal academics judges political scientists journalists historians economists policy planners and sociologists [Repealing National Prohibition](#) Honorée Fanonne Jeffers, David E. Kyvig, 2000 A study of the political reaction against the 18th Amendment a response that led to its reversal 14 years later by the 21st Amendment This work uses archival evidence to examine the liquor ban and to draw attention to the bi partisan movement led by the Association Against Prohibition Amendment **State of Silence** Sam Lebovic, 2023-11-21 An essential guide Beverly Gage Pulitzer Prize winning author of *G Man* to how the Espionage Act gave rise to a vast American security state that keeps citizens in the dark In *State of Silence* political historian Sam Lebovic uncovers the troubling history of the Espionage Act First passed in 1917 it was initially used to punish critics of World War I Yet as Americans began to balk at the act's restrictions on political dissidents and the press the government turned its focus toward keeping its secrets under wraps The resulting system for classifying information is absurdly cautious staggeringly costly and shrouded in secrecy preventing ordinary Americans from learning what their country is doing in their name both at home and abroad Shedding new light on the bloated governmental security apparatus that's weighing our democracy down *State of Silence* offers the definitive history of America's turn toward secrecy and its staggering human costs *Encyclopedia of American Civil Liberties* Paul Finkelman, 2021-02-25 Originally published in 2006 the *Encyclopedia of American Civil Liberties* is a comprehensive 3 volume set covering a broad range of topics in the subject of American Civil Liberties The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The *Encyclopedia* also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book's multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students [Free Speech and Unfree News](#) Sam Lebovic, 2016-03-14 Does America have a free press Many who say yes appeal to First Amendment protections against censorship Sam Lebovic shows that free speech on its own is not sufficient to produce a free press and helps us understand the crises that beset the press amid media consolidation a secretive national security state and the daily newspaper's decline

Supreme Court A to Z Kenneth Jost, 2012-03-14 The Supreme Court A to Z offers accessible information about the Supreme Court including its history traditions organization dynamics and personalities The entries in The Supreme Court A to Z are arranged alphabetically and are extensively cross referenced to related information This volume also has a detailed index reference materials on Supreme Court nominations a seat chart of the justices the U S Constitution online sources of decisions and a bibliography to help simplify research The fifth edition of The Supreme Court A to Z has been thoroughly updated to incorporate coverage of significant new cases and recent changes on the bench and includes more than 350 alphabetized entries Presented in an engaging reader friendly design this edition includes Biographies of recently appointed Associate Justices Elena Kagan and Sonia Sotomayor Updated entries on key issues and concepts including abortion campaigns and elections civil rights class action due process freedom of the press retired justices reapportionment and redistricting school desegregation and war powers New entries on criminal law and media and the court which highlights the Court s online presence This timely resource also includes updated seat charts of the justices online sources for finding decisions and a selected bibliography The Supreme Court A to Z is part of CQ Press s five volume American Government A to Z series

Scapegoats of September 11th Michael Welch, 2006-11-09 From its largest cities to deep within its heartland from its heavily trafficked airways to its meandering country byways America has become a nation racked by anxiety about terrorism and national security In response to the fears prompted by the tragedy of September 11th the country has changed in countless ways Airline security has tightened mail service is closely examined and restrictions on civil liberties are more readily imposed by the government and accepted by a wary public The altered American landscape however includes more than security measures and ID cards The country s desperate quest for security is visible in many less obvious yet more insidious ways In *Scapegoats of September 11th* criminologist Michael Welch argues that the war on terror is a political charade that delivers illusory comfort stokes fear and produces scapegoats used as emotional relief Regrettably much of the outrage that resulted from 9 11 has been targeted at those not involved in the attacks on the Pentagon or the Twin Towers As this book explains those people have become the scapegoats of September 11th Welch takes on the uneasy task of sorting out the various manifestations of displaced aggression most notably the hate crimes and state crimes that have become embarrassing hallmarks both at home and abroad Drawing on topics such as ethnic profiling the Abu Ghraib scandal Guantanamo Bay and the controversial Patriot Act Welch looks at the significance of knowledge language and emotion in a post 9 11 world In the face of popular and political cheerleading in the war on terror this book presents a careful and sober assessment reminding us that sound counterterrorism policies must rise above rather than participate in the propagation of bigotry and victimization

The United States in the First World War Anne Cipriano Venzon, Paul L. Miles, 1999 An alphabetical reference for scholars and researchers that provides a comprehensive overview from the period of preparation prior to American entry into The Great War through the signing of the Armistice Civil topics include articles on the political

industrial and moral support of the war and organizational and individual opposition to it Military coverage includes sketches of important leaders major campaigns and battles and individual histories of the most important divisions Also covered are foreign leaders both civilian and military foreign relations diplomatic efforts to end the fighting and the final settlement Major articles contain a brief bibliography Includes six bandw maps but no other illustrations Annotation copyright by Book News Inc Portland OR

Rights vs. Responsibilities Elizabeth B. Hindman,1997-05-28 In the past 65 years the United States Supreme Court has outlined through its decisions its conceptions of the roles and responsibilities of the U S media Analyzing every Supreme Court media case from 1931 to 1996 this book explores the changes in how the Court has conceived of the media s freedom Hindman focuses on the educational and political functions of the media the ethical principles of truth telling and the conflict between collectivist and individualist interpretations of the First Amendment The author challenges accepted views in the field arguing that despite the justices rhetoric the Court has treated media freedom as a social goal rather than a right

The Authentic Constitution Arthur E. Palumbo,2009 In 2008 Alan Keyes a Republican presidential candidate in 1996 and 2000 described the relationship between the Declaration of Independence and the Constitution of the United States in the following way The doctrine of unalienable rights is to the Constitution what the laws of physics are to architecture or engineering Those laws are not repeated in every plan or architect s drawing but they are assumed and must be respected or the results will be defective and dangerous It is clear that the founding principles of the Declaration are intimately connected with the Constitution and it

Delve into the emotional tapestry woven by in Dive into the Emotion of **The Constitution In Crisis Times 1918 1969** .
