Jennifer E. Spreng

The Constitution Of Ireland 1937

The Constitution of Ireland 1937-1987 Frank Litton, 1988 *Constitutionalism in Ireland, 1932-1938* Donal K. Coffey, 2018-05-17 The first of two volumes this book examines constitutionalism in Ireland in the 1930s Donal K Coffey places the document and its drafters in the context of a turbulent decade for the United Kingdom the Commonwealth and Europe He considers a series of key issues leading up to its drafting including the failure of the 1922 Constitution the rise of nationalism in the 1920s and 1930s and the abdication of Edward VIII He sketches the drafting process examines the roles of individual drafters and their intellectual influences and considers the Constitution's public reception both domestically and internationally This book illuminates a critical moment in Irish history and the confluence of national Commonwealth and international influences that gave rise to it for scholars of Irish history as well as of legal constitutional and Commonwealth history more broadly

Drafting the Irish Constitution, 1935-1937 Donal K. Coffey, 2018-05-04 The second of two volumes this book situates the drafting of the Irish Constitution within broader transnational constitutional currents Donal K Coffey pioneers a new method of draft sequencing in order to track early influences in the drafting process and demonstrate the importance of European influences such as the German Polish and Portuguese Constitutions to the Irish drafts He also analyses the role that religion played in the drafting process and considers the new institutions of state such as the presidency and the senate tracing the genesis of these institutions to other continental constitutions Together with volume I *Constitutionalism in Ireland 1932-1938* this book argues that the 1937 Constitution is only explicable within the context of the European and international trends which inspired it

Drafting the Irish Free State Constitution Laura Cahillane, 2016-07-01 This book provides an account of the drafting of the Irish Free Constitution of 1922 analysing the document in its historical context and exploring the reasons for its lack of success

Constitutional Law in Ireland Laura Cahillane, Seán Ó Conaill, 2020-12-20 Derived from the renowned multi volume International Encyclopaedia of Laws this very useful analysis of constitutional law in Ireland provides essential information on the country's sources of constitutional law its form of government and its administrative structure Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application Throughout the book the treatment emphasizes the specific points at which constitutional law affects the interpretation of legal rules and procedure Thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations The discussion of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship Special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct

yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists Lawyers representing parties with interests in Ireland will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law *Abortion and Divorce Law in Ireland* Jennifer E. Spreng, 2015-03-12 In 1991 the people of Ireland elected Mary Robinson a women s rights crusader who supported legalized birth control and divorce as their president The country seemed poised for massive social and legal change but it became apparent that even though Ireland at the dawn of the 21st century would be very different from the Ireland of the past many fundamentals would remain the same This book examines Irish abortion and divorce law in their historical religious and cultural contexts Its main focus is on the well publicized referenda and court cases of the 1980s and 1990s with special attention given to their roots and potential long term effects on the communitarian Irish culture and opportunities for Irish women The author identifies and discusses three forces that have affected Irish law and mores especially those relating to abortion and divorce economic insecurity a sense of group loyalty and identification particularly within families and churches and Catholic teaching about the common good **Human dignity and fundamental rights in South Africa and Ireland** Anne Hughes, 2014-04-11 Post apartheid South Africa has yielded enlightened judicial decisions in contrast to the limited interpretation of human rights in Ireland The value of human dignity with its central position in international law underpins both countries Constitutions but has left a more striking mark in South Africa There it has impacted significantly on punishment for crimes family life children s rights defamation sexual violence investigations substantive equality and socio economic rights Practical guidance can be gleaned from South Africa to revitalise Irish jurisprudence While its focus is on South Africa and Ireland this book draws on the experience of many countries and regions

Politics in the Republic of Ireland John Coakley, Michael Gallagher, 2012-12-12 Politics in the Republic of Ireland is now available in a fully revised fourth edition Building on the success of the previous three editions this text continues to provide an authoritative introduction to all aspects of politics in the Republic of Ireland Written by some of the foremost experts on Irish politics it explains analyzes and interprets the background to Irish government and contemporary political processes Crucially it brings the student up to date with the very latest developments New patterns of government formation challenges to the established political parties ever deepening if sometimes ambivalent involvement in the process of European integration a growing role in the politics of Northern Ireland and sustained discussion of gender issues are among these developments along with evidence revealed by several tribunals of enquiry that Irish politics is not as free of corruption as many had assumed **Law and Religion in Ireland, 1700-1970** Kevin Costello, Niamh Howlin, 2021-10-29 This book focuses from a legal perspective on a series of events which make up some of the principal episodes in the legal history of religion in Ireland the anti Catholic penal laws of the late seventeenth and early eighteenth century the shift towards the removal of disabilities from Catholics and dissenters the dis establishment of the Church of Ireland and the place of religion

and the Catholic Church under the Constitutions of 1922 and 1937 Contesting Economic and Social Rights in Ireland Thomas Murray, Thomas Patrick Murray, 2016-08-18 A comparative analysis from below of attempts to constitutionalise socio economic rights in Ireland from 1848 rebellions to present day protests **Ireland and the Vatican** Dermot Keogh, 1995 A comprehensive examination of the complex triangular relationship between the Irish government the bishops and the Holy See from the origins of the Irish State in 1922 to the end of the de Valera government *Judges, politics and the Irish Constitution* Laura Cahillane, James Gallen, Tom Hickey, 2017-02-28 This volume brings together academics and judges to consider ideas and arguments flowing from the often complex relationships between law and politics adjudication and policy making and the judicial and political branches of government Contributors explore numerous themes including the nature and extent of judicial power the European Court of Human Rights decision in *O Keeffe v Ireland* the process of appointing judges and judicial representation judicial power and political processes Contrasting judicial and academic perspectives are provided on the role of the European Court of Human Rights and the nature of exhausting domestic remedies including a contribution from the late Mr Justice Adrian Hardiman The role of specific judges social and political disputes and case law are examined and socio economic rights the rule of law and electoral processes are all addressed The Government and Politics of Ireland Basil Chubb, 2014-06-17 The third edition of *Government and Politics in Ireland* has been updated to take account of the political developments that have taken place in Ireland between 1981 and 1991 Amongst the topics covered are political parties pressure groups the government and the Dail and local government *Faithful to Secularism* David T. Buckley, 2017-03-14 Religion and democracy can make tense bedfellows Secular elites may view religious movements as conflict prone and incapable of compromise while religious actors may fear that anticlericalism will drive religion from public life Yet such tensions are not inevitable from Asia to Latin America religious actors coexist with and even help to preserve democracy In *Faithful to Secularism* David T Buckley argues that political institutions that encourage an active role for public religion are a key part in explaining this variation He develops the concept of benevolent secularism to describe institutions that combine a basic division of religion and state with extensive room for participation of religious actors in public life He traces the impact of benevolent secularism on religious and secular elites both at critical junctures in state formation and as politics evolves over time Buckley shows how religious and secular actors build credibility and shared norms over time and explains how such coalitions can endure challenges from both religious revivals and periods of anticlericalism *Faithful to Secularism* tests this institutional theory in Ireland Senegal and the Philippines using a blend of archival interview and public opinion data These case studies illustrate how even countries with an active religious majority can become and remain faithful to secularism *Religion, Rights and Secular Society* Peter Cumper, Tom Lewis, 2012-01-01 *Religion Rights and Secular Society* by Peter Cumper and Tom Lewis is a both timely and important publication In a series of highly interesting and well written essays some of which are case studies covering many different European nations whereas others are more

theoretical the book looks at a key paradox in contemporary Europe the relatively high levels of secularity in most European countries on the one hand and the marked resurgence of religion in public debates on the other While never pretending that there are ready answers to the problems of reconciling secular and religious values in Europe the contributors make it quite clear that Europeans need to return to questions about religion that they had previously regarded as being settled This is food for thought at a very high level Helle Porsdam University of Copenhagen Denmark This topical collection of chapters examines secular society and the legal protection of religion and belief across Europe both in general and more nation specific terms The expectations of many that religion in modern Europe would be swept away by the powerful current of secularization have not been realised and today few topics generate more controversy than the complex relationship between religious and secular values The religious secular relationship is examined in this book which brings together scholars from different parts of Europe and beyond to provide insights into the methods by which religion and equivalent beliefs have been and continue to be protected in the legal systems and constitutions of European nations The contributors chapters reveal that the oft tumultuous legacy of Europe s relationship with religion still resonates across a continent where legal political and social contours have been powerfully shaped by faith and religious difference Covering recent controversies such as the Islamic headscarf and the presence of the crucifix in school class rooms this book will appeal to academics and students in law human rights and the social sciences as well as law and policy makers and NGOs in the field of human rights

A New History of Ireland Volume VII J. R. Hill, 2010-08-26 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland

Family, Economy, and Government in Ireland Finola Kennedy, Economic and Social Research Institute, 1989

The Irish Supreme Court Brice Dickson, 2019-01-17 This book examines the jurisprudence of the Supreme Court of Ireland since its creation in 1924 It sets out the origins of the Court explains how it operated during the life of the Irish Free State 1922 1937 and considers how it has developed various fields of law under Ireland s 1937 Constitution especially after the re creation of the Court in 1961 As well as constitutional law the book looks at the Court s views on the status and legal system of Northern Ireland administrative law criminal justice and personal and family law There are also chapters on the Supreme Court s interaction with European Union law and with the European Convention on Human Rights The argument throughout is that

while the Court has been well served by many of its judges who on occasion have manifested a healthy degree of judicial activism there are still several legal fields in which the Court has not developed its jurisprudence as clearly or as imaginatively as it might have done It has often displayed undue conservatism and deference For many years its performance was hampered by its extreme workload generated by its inability to control the number of appeals brought to it However the creation of a new Court of Appeal in 2014 has freed up the Supreme Court to act in a manner more analogous to that adopted by supreme courts in other common law countries The Court s future looks bright The Politics of Sexual Morality in Ireland C. Hug,2016-01-18 The research for this book was prompted by a combination of events in particular the election of Mary Robinson to the Presidency and the X Case which rocked Irish society The book is an exploration of the dynamics between the courts the legislators and the Irish citizens in relation to certain socio sexual questions divorce contraception abortion and homosexuality Spanning 73 years since the creation of the Irish State The Politics of Sexual Morality in Ireland questions the nature of the moral order regulating Irish society and the concept of democracy underlying it It examines the fragile balance struck between tradition and modernity *Transactions of the Royal Historical Society: Volume 8* Royal Historical Society,1999-02-04 Volume 8 of The Royal Historical Society Transactions contains essays based around the theme identities and empires

The Constitution Of Ireland 19371987 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Constitution Of Ireland 19371987 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Constitution Of Ireland 19371987 has opened up a world of possibilities. Downloading The Constitution Of Ireland 19371987 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Constitution Of Ireland 19371987 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Constitution Of Ireland 19371987. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Constitution Of Ireland 19371987. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Constitution Of Ireland 19371987, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Constitution Of Ireland 19371987 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Constitution Of Ireland 19371987 Books
