UNIVERSAL CONSTITUTION of EARTH

PREFACE

Generally speaking, any CONSTITUTION is the most important document for every *human being* as it stipulates fundamental principles of organization, everyday living and decent behavior in a society, based on which the members of this society keep in-between relationship and self-government. Consequently, the *Constitution* should be considered as the **Supreme Law** common and equally obligatory for all inhabitants on territory of a particular society, men and women, young and aged, rich and poor, ill and healthy, strong and weak, and therefore it should be properly studied by all of them, kept in mind, fulfilled, and modernized in due way and time.

It is obvious, that the world on Earth is becoming as a more and more global complete system, which requires global governance, well described and open for everyone's understanding and reach. Thus, the *Universal Constitution of Earth* is exactly such a document designated for all Inhabitants of Earth in the started era of *globalization*, which describes the new World order induced to secure the Life on the planet and provide peaceful public tranquility, progress and prosperity to all Earth humans of present and future generations.

Such an idea comes to the mind of various prominent world thinkers more and more often. For example, the previous leader of the Catholic Church, Pope Benedict XVI, has called for the establishment of World Government and a New World Order in his speech made at the *Pontifical Council for Justice and Peace* on December 3, 2012. The Pope called for the "construction of a world community, with a corresponding authority," to serve the "common good of the human family".

As a means of defending global peace and justice, the Pope's vision for the establishment of World Government and a New World Order is supposedly not to
