The Contemporary Presidency By James Dorothy Buckton

Michael Nelson

The Contemporary Presidency By James Dorothy Buckton:

Guide to the Presidency Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton s Inaugural Address and another which provides results from elections and polls and statistics from each office

The Presidents We Imagine Jeff Smith, 2009-03-19 In The Presidents We Imagine Jeff Smith examines the presidency s ever changing place in the American imagination Ranging across different media and analyzing works of many kinds some familiar and some never before studied he explores the evolution of presidential fictions their central themes the impact on them of new and emerging media and their largely unexamined role in the nation s real politics

The Dynamics of Conflict Between Bureaucrats and Legislators Cathy Marie Johnson, 1992 First Published in 1993 Routledge is an imprint of Taylor Francis an Informa company

The Dynamics of Conflict Between Bureaucrats and Legislators Gail Johnson, 2016-09-16 First Published in 1993 Using four in depth case studies this book greatly adds to our understanding of what are often called subgovernments A work of solid social science with a welcome feel of reality this is essential reading for anyone interested in public policy making

The Presidency and Political Science: Paradigms of Presidential Power from the Founding to the Present: 2014 Raymond Tatalovich, Steven E Schier, 2014-12-18 This history of presidential studies surveys the views of leading thinkers and scholars about the constitutional powers of the highest office in the land from the founding to the present

The Mortal Presidency Robert E. Gilbert, 2024-10-22 Available in a new digital edition with reflowable text suitable for e readers The presidency is hazardous to your health Fully two thirds of our presidents have died before reaching their life expectancy despite being wealthier better educated and better cared for than most Americans In Mortal Presidency the first complete account of death and illness in the White House Robert E Gilbert looks at modern presidents including Coolidge FDR Eisenhower Kennedy and Reagan He shows in some cases for the first time that all suffered from debilitating medical problems physical and or psychological which they frequently managed to conceal from the public but which in important ways affected their political lives This edition is updated to include a brief look at Presidents Clinton and Bush both

of whom suffered sudden and unpleasant indispositions while in office which to some degree affected their presidencies

The President on Capitol Hill Jeffrey E. Cohen, 2019-06-11 Can presidents influence whether Congress enacts their agenda Most research on presidential congressional relations suggests that presidents have little if any influence on Congress Instead structural factors like party control largely determine the fate of the president's legislative agenda In *The President on Capitol Hill* Jeffrey E. Cohen challenges this conventional view arguing that existing research has underestimated the president's power to sway Congress and developing a new theory of presidential influence Cohen demonstrates that by taking a position the president converts an issue from a nonpresidential into a presidential one which leads members of Congress to consider the president's views when deciding how to vote Presidential position taking also converts the factors that normally affect roll call voting such as party public opinion and policy type into resources that presidents can leverage to influence the vote By testing all House roll calls from 1877 to 2012 Cohen finds that not only do presidents have more influence than previously thought but through their influence they can affect the substance of public policy *The President on Capitol Hill* offers a new perspective on presidential congressional relations showing that presidents are not simply captives of larger political forces but rather major players in the legislative process

The Presidency in Contemporary Context Norman C. Thomas, 1975 **The Powers of the Presidency**, 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition

The Presidency and Political Science Raymond Tatalovich, Thomas S. Engeman, 2003-07-29 This is the first book to survey the intellectual history of presidential scholarship from the Founding to the late 20th century Reviewing the work of over sixty thinkers including Alexander Hamilton Thomas Jefferson Woodrow Wilson Richard Neustadt James McGregor Burns and Theodore Lowi the authors identify six central questions the answers to which can help form a theory of presidential power Does presidential power derive from the prerogatives of office or from incumbency Does presidential influence depend upon force of personality rhetorical leadership or partisanship Does presidential leadership depend upon historical context or is regime building manifested through political institutional and constitutional developments Does presidential leadership vary between domestic and foreign affairs Does the president actively or passively engage the legislative process and promote a policy agenda Does the organization of the executive branch service presidential leadership Arguing that three paradigms have dominated the history of presidential scholarship Hamiltonianism Jeffersonianism and Progressivism the authors conclude that today's understanding of the presidency is characterized by a new realism and old idealism This book will appeal to students and scholars as well as to general readers with an interest in the American presidency

The American Voter: Stupid and Ignorant Walt Kienia, 2015-02-08 Since Eve stupid people have existed and multiplied Far too many stumble through life fortunate that breathing is involuntary with ignorance and without common sense It is not surprising

then that they bring their brainless way of life to the voting arena The American Voter Stupid and Ignorant takes an anecdotal historical and statistical look at how the voters from Eisenhower to Obama through the eyes of the professionals and nonprofessionals who have reported on this nonsense have stumbled into a voting booth with only slightly more cognitive ability than a vegetable God Bless America

Leadership in the Modern Presidency Fred I. Greenstein, 1988 In presidential election years the leadership qualities of occupants of the Oval Office become yardsticks for aspiring candidates What profile of qualities both positive and negative helps explain the performance of chief executives In this book about the White House nine eminent political scientists and historians present their assessments of the leadership styles and organizational talents of presidents from Franklin D Roosevelt to Ronald Reagan Filled with anecdote and insight this is an unprecedented opportunity to observe how the running of the office of President has been changed subtly and not so subtly by the management and personal styles of the various incumbents within their historical contexts The book vividly depicts each president There is Roosevelt a real artist in government Truman a strong executive who always managed to appear weak Eisenhower who cultivated the image of being above the fray of politics but was actually fully occupied with getting political results Kennedy who successfully projected the symbolic grandeur of his office Johnson a figure from classical tragedy Nixon who preferred a corporate to a political mode of operation Ford who placed healing the nation's wounds from Vietnam and Watergate above his personal political future Carter whose fall was as stunning as his rise was meteoric The chapter on Reagan is an impassioned encomium of the president as a folk philosopher that is bound to be controversial These accounts of leadership by modern presidents are acute studies of how the presidency has become the first among equals in our tripartite system of government This book will be important to political scientists historians and government officials and the liveliness of its presentation and the quotidian impact of the men it describes will make it attractive to everyone interested in how we are governed and who is doing the governing

[Guide to the Presidency and the Executive Branch](#) Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president

and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

Legislating Together Mark A. Peterson, 1990 Peterson investigates how recent presidents have engaged Congress on domestic policy issues Rejecting the presidency centered perspective on national government so firmly rooted in the popular imagination he argues that Congress s to presidential initiatives is often far more cooperative than the presidency centered perspective suggests *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1972

Presidentializing the Premiership S. Pryce, 1997-08-29 Has the presidentialization of British electoral politics now penetrated other institutional and governmental relationships This book argues it has in respect of the prime ministerial advisory system The prime minister has become a president in the eyes of the electorate but remains a prime minister according to the constitution To bridge this gap between their political and constitutional positions prime ministers have been forced to stretch the constitutional rules about advice and presidentialize their advisory systems

Science Advice and the Presidency, 1933-1976 William G. Wells, 1977

Weltmacht ohne Politik? Friedrich von Stachelsky, Werner Kaltefleiter, Edward Keynes, 1980-01-11

Income Redistribution and Foreign Policy Caroline Mills LeGette, 1977

Der amerikanische Präsident im Bezugsfeld der Kongreßfraktionen Jürgen Hartmann, 1977

The Contemporary Presidency By James Dorothy Buckton Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Contemporary Presidency By James Dorothy Buckton PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Contemporary Presidency By James Dorothy Buckton PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Contemporary Presidency By James Dorothy Buckton free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
