Sociology in Today's World Brian Furze, Cengage Learning Australia, Pauline Savy, 2014

Sociology in Today's World explores why sociology is important and relevant to everyday life. It teaches students how to think sociologically not just what to think and shows how sociology can help us make sense of our lives. It comprehensively covers key aspects and current issues in Australian and New Zealand society whilst emphasising the importance of diversity and a global perspective.

Marriage and the Family Stephen Grunlan, 2013-01-11

The widespread use of *Marriage and the Family* has proved its value as a textbook covering biblical, sociological and psychological perspectives on the family. Now this revised and updated edition brings a benchmark text into the twenty-first century with new material on family finances, economics, violence and abuse, premarital intimacy, human sexuality and dating. Statistics and references have been updated and graphics are designed for easier reading. With more information than ever, *Marriage and the Family* examines the following topics from a distinctively evangelical perspective: The sociology of the family, Cross-cultural and intercultural perspectives, Dating and courtship, Communication and conflict resolution, Childbearing and parenting, Divorce and remarriage, Aging and death. Case studies, discussion questions, suggested reading, a glossary and tables and illustrations offer important information in an accessible format for the classroom. The lifestyle approach of *Marriage and the Family* offers a solid biblical foundation that gives students the tools they need to make wise choices and strengthen the family in these times.
