Gender, Work and Social Theory Kate Huppertz, 2023-04-20

How is gender signified produced and reproduced through paid and unpaid labour In what ways does gender intersect with other kinds of disadvantage How does power work through interactions emotions and bodies In this original synthesis of social theory and its application to gender and work Kate Huppertz draws from classical theory and principles of the cultural turn to explore how feminist sociology dismantles dualistic understandings of gender and scrutinizes the workings of power In a tour de force of exposition and analysis of landmarks in the literature Huppertz reflects upon continuities and departures in cutting edge research on gender within organizations unpaid domestic labour and paid and unpaid care work Close

attention is paid to pressing issues such as the intersectionality of inequality in the workplace relations between micro activities and larger social processes and the impact of Covid 19 on exposing and exacerbating the gendered inequalities of work Case examples drawn from North America Australasia and the UK illustrate social theory in practice Throughout Huppatz emphasizes the importance of theoretical understandings in furthering empirical research about gender and work She also considers the gendered division of labour within the study of work and employment itself This key new addition to the Themes in Social Theory series is an essential read for advanced undergraduates postgraduates and researchers interested in this area of study across a wide range of disciplines

Gender, Feminism, and Queer Theory in the Self-Study of Teacher Education Practices Monica Taylor, Lesley Coia, 2014-08-07 This edited volume gives explicit attention to the influence of gender feminism and queer theory in self study of teacher education practices It builds on the self study community's interest in social justice that has mostly been focused on race ethnicity gender disability and power as well as broad conceptions that include multiculturalism and ways of knowing This is the time to examine gender both because our community is growing and because of the reconceptualization of issues of gender feminism and queer theory in teacher education This collection of papers provides a space for members of the self study field from founders to welcomed new members along with the general community of teacher educators to problematize these issues through a variety of theoretical lenses As always with self study the impetus of the research is on the improvement of individual practice Readers will find innovative approaches and insights into their own work as teacher educators
