

# Urban Sociology

## What is urbanization?

- Urbanization is a shift in population from rural living to living in cities and towns.
- Occurred alongside industrialization.
- London as a prime example:  
1800: 1.1 million people  
1900: > 7 million people
- The United States: 1800: <10% urban  
2010: approximately 80% urban

## Important issues about urbanisation:

- How **cities** have changed and why
- Rural, **urban**, and suburban living

## **Sociology Of Urban Life:**

**The Sociology of Urban Life** Harry Gold, 1982      *Cities and Urban Life* John J. Macionis, Vincent N. Parrillo, 2001 *Cities and Urban Life* authored by two of the best known textbook writers in the field provides a comprehensive introduction to urban sociology urban anthropology and urban studies Primarily sociological in approach this book incorporates historical social psychological geographical and anthropological insights While strong in the classical urban sociology it also gives extensive attention to the new political economy approach to urban studies The text provides an introduction to the city the history of cities and new trends disciplinary perspectives the anatomy of the city and the planning and evaluation of cities For individuals interested in urban sociology urban political economy and urban anthropology      **Being Urban** David Allen Karp, Gregory Prentice Stone, William C. Yoels, 1991 *Being Urban* examines the dynamic interplay between what theoretical perceptions tell us about urban life and how ordinary people interpret and respond to the actual experience of living in cities Major focuses are the primacy of social interaction for an understanding of urban life and the strategies people use to create community in environments which many theorists more than believe promote only alienation and social disintegration This new edition incorporates a strongly interdisciplinary perspective and includes new chapters on significant topics that have received little critical attention in the field      *Urban Life and Society* Harry Gold, 2002 *Urban Life and Society* is a comprehensive and readable overview of the entire field of urban sociology It provides a very well balanced introduction to all of the major approaches and perspectives The book pays homage to the traditional classic works in the field while also focusing on some of the most recent theoretical and empirical work available Updated materials from the perspective of the NEW URBAN SOCIOLOGY or THE POLITICAL ECONOMY APPROACH as it is increasingly coming to be called are most directly represented in the two separate chapters on urban economic institutions and political institutions but also material on the new urban sociology approach is integrated into the most relevant sections A historical perspective provides the reader with a clear picture of the process of urbanization process past present and future from the first cities to the emergence of the early Egyptian Greek Roman civilizations continuing through urban developments throughout the feudal medieval and renaissance periods of European urbanization For anyone interested in urban sociology      **Urban Life** Albert N. Cousins, Hans Nagpaul, 1979      *Handbook of Contemporary Urban Life* David Street, 1978      **Patterns of Urban Life** Raymond Edward Pahl, 1970 Textbook on patterns of urban area life in the UK covers historical origin of urbanism the impact of industrialization on urbanization urban social structures urban planning social change patterns of housing and living conditions intergroup relations community development the neighbourhood the role of volunteer associations social integration in the local level environment sociological aspects etc References      **Being Urban** David A. Karp, Gregory Prentice Stone, William C. Yoels, 1991-06-30 This volume examines the dynamic interplay between what theoretical perceptions tell us about urban life and how ordinary people interpret and respond to the actual experience of living in cities

Major focuses are the primacy of social interaction for an understanding of urban life and the strategies people use to create community in environments which many theorists believe promote only alienation and social disintegration This new edition incorporates a strongly interdisciplinary perspective and includes new chapters on significant topics that have received little critical attention in the field

**Cities, Change, and Conflict** Nancy Kleniewski, Alexander R. Thomas, 2019-02-25 Cities Change and Conflict was one of the first texts to embrace the perspective of political economy as its main explanatory framework and then complement it with the rich contributions found in the human ecology perspective Although its primary focus is on North American cities the book contains several chapters on cities in other parts of the world including Europe and developing nations providing both historical and contemporary accounts on the impact of globalization on urban development This edition features new coverage of important recent developments affecting urban life including the implications of racial conflict in Ferguson Missouri and elsewhere recent presidential urban strategies the new waves of European refugees the long term impacts of the Great Recession as seen through the lens of Detroit's bankruptcy new and emerging inequalities and an extended look into Sampson's Great American City Beyond examining the dynamics that shape the form and functionality of cities the text surveys the experience of urban life among different social groups including immigrants African Americans women and members of different social classes It illuminates the workings of the urban economy local and federal governments and the criminal justice system and also addresses policy debates and decisions that affect almost every aspect of urbanization and urban life

*Urban Life and Society- (Value Pack W/Mysearchlab)* Harry Gold, 2009-01 MySearchLab provides students with a complete understanding of the research process so they can complete research projects confidently and efficiently Students and instructors with an internet connection can visit [www.MySearchLab.com](http://www.MySearchLab.com) and receive immediate access to thousands of full articles from the EBSCO ContentSelect database In addition MySearchLab offers extensive content on the research process itself including tips on how to navigate and maximize time in the campus library a step by step guide on writing a research paper and instructions on how to finish an academic assignment with endnotes and bibliography Urban Life and Society is a comprehensive and readable overview of the entire field of urban sociology It provides a very well balanced introduction to all of the major approaches and perspectives The book pays homage to the traditional classic works in the field while also focusing on some of the most recent theoretical and empirical work available Updated materials from the perspective of the NEW URBAN SOCIOLOGY or THE POLITICAL ECONOMY APPROACH as it is increasingly coming to be called are most directly represented in the two separate chapters on urban economic institutions and political institutions but also material on the new urban sociology approach is integrated into the most relevant sections A historical perspective provides the reader with a clear picture of the process of urbanization process past present and future from the first cities to the emergence of the early Egyptian Greek Roman civilizations continuing through urban developments throughout the feudal medieval and renaissance periods of European urbanization

For anyone interested in urban sociology      **Cities, Change, and Conflict** Nancy Kleniewski, 1997 Kleniewski's text discusses the importance of cities for the economic cultural and political life of modern societies. The author consistently uses the political economy perspective to introduce students to the basic concepts and research in urban sociology while also acknowledging the contributions of the human ecology perspective. Through the use of case studies, the presentation remains accessible and down to earth.      *The sociology of urban life* Thomas Lynn Smith, 1961      *Moving Cities - Contested Views on Urban Life* Lígia Ferro, Marta Smagacz-Poziemska, M. Victoria Gómez, Sebastian Kurtenbach, Patrícia Pereira, Juan José Villalón, 2017-08-03 The texts of the book focus on the problems and challenges of urban change especially in Europe in the contemporary context of intense mobility. The main topics are mobility, urban social structure, migrations, urban inequalities, urban activism, community, neighbourhood life, uses of public spaces and methodological approaches to urban life such as ethnography.      **Cities and Urban Life** John J. Macionis, Vincent N. Parrillo, 2008-09-30 For Urban Sociology, Urban Political Economy, Urban Anthropology and Urban Studies courses taught out of the sociology, political science and urban studies departments. *Cities and Urban Life*, authored by two of the best known textbook writers in the field, provides a comprehensive introduction to urban sociology, urban anthropology and urban studies courses. Primarily sociological in approach, this book incorporates historical, social, psychological, geographical and anthropological insights. While strong in the classical urban sociology, it also gives extensive attention to the new political economy approach to urban studies. Also, the authors use global cities as case studies for more relevance to students.      **The City Reader** Richard T. LeGates, Frederic Stout, 2015-07-16 The sixth edition of the highly successful *The City Reader* juxtaposes the very best classic and contemporary writings on the city to provide the comprehensive mapping of the terrain of Urban Studies and Planning, old and new. *The City Reader* is the anchor volume in the Routledge Urban Reader Series and is now integrated with all ten other titles in the series. This edition has been extensively updated and expanded to reflect the latest thinking in each of the disciplinary areas included and in topical areas such as compact cities, urban history, place making, sustainable urban development, globalization, cities and climate change, the world city network, the impact of technology on cities, resilient cities, cities in Africa and the Middle East, and urban theory. The new edition places greater emphasis on cities in the developing world, globalization and the global city system of the future. The plate sections have been revised and updated. Sixty generous selections are included, forty-four from the fifth edition and sixteen new selections, including three newly written exclusively for *The City Reader*. The sixth edition keeps classic writings by authors such as Ebenezer Howard, Ernest W. Burgess, LeCorbusier, Lewis Mumford, Jane Jacobs and Louis Wirth, as well as the best contemporary writings of, among others, Peter Hall, Manuel Castells, David Harvey, Saskia Sassen and Kenneth Jackson. In addition to newly commissioned selections by Yasser Elshestawy, Peter Taylor and Lawrence Vale, new selections in the sixth edition include writings by Aristotle, Peter Calthorpe, Alberto Camarillo, Filip DeBoeck, Edward Glaeser, David Owen, Henri Pirenne, The Project for Public Spaces, Jonas Rabinovich and Joseph Lietman, Doug Saunders and

Bish Sanyal The anthology features general and section introductions as well as individual introductions to the selected articles introducing the authors providing context relating the selection to other selection and providing a bibliography for further study The sixth edition includes fifty plates in four plate sections substantially revised from the fifth edition
